Background: The Agency's *National Water Program Strategy: Response to Climate Change* (2008) identified the need to provide drinking water and wastewater utilities with easy-to-use resources to assess the risk associated with climate change and to identify potential adaptation strategies. The NDWAC, established under the Safe Drinking Water Act, as amended (42 U.S.C. 300f *et seq.*), provides practical and independent advice, consultation and recommendations to the Agency on the activities, functions and policies related to the implementation of the Safe Drinking Water Act. On May 28, 2009, the NDWAC voted on and approved the formation of the CRWU Working Group. EPA anticipates that the Working Group will have five face-to-face meetings over the course of the next year in addition to conference calls and/or video conferencing on an as needed basis. After the Working Group completes its charge, it will make recommendations to the full NDWAC. The full NDWAC will, in turn, make appropriate recommendations to the EPA.

Working Group Charge: The charge for the CRWU Working Group is to evaluate the concept of "Climate Ready Water Utilities" and provide recommendations to the full NDWAC on the development of an effective program for drinking water and wastewater utilities, including recommendations to:

- (1) Define and develop a baseline understanding of how to use available information to develop climate change adaptation and mitigation strategies, including ways to integrate this information into existing complementary programs such as the Effective Utility Management and Climate Ready Estuaries Program;
- (2) Identify climate change-related tools, training, and products that address short-term and long-term needs of water and wastewater utility managers, decision makers, and engineers, including ways to integrate these tools and training into existing programs; and
- (3) Incorporate mechanisms to provide recognition or incentives that facilitate broad adoption of climate change adaptation and mitigation strategies by the water sector into existing EPA Office of Water recognition and awards programs or new recognition programs.

FEDERAL ELECTION COMMISSION

[Notice 2009-25]

Filing Dates for the Florida Special Election in the 19th Congressional District**AGENCY:** Federal Election Commission.**ACTION:** Notice of filing dates for special election.

SUMMARY: Florida has scheduled elections on February 2, 2010, and April 6, 2010, to fill the U.S. House seat in the 19th Congressional District being vacated by Representative Robert Wexler.

Committees required to file reports in connection with the Special Primary Election on February 2, 2010, shall file a 12-day Pre-Primary Report. Committees required to file reports in connection with both the Special Primary and Special General Election on April 6, 2010, shall file a 12-day Pre-Primary Report, a 12-day Pre-General Report, and a 30-day Post-General Report.

FOR FURTHER INFORMATION CONTACT: Mr. Kevin R. Salley, Information Division, 999 E Street, NW., Washington, DC 20463; *Telephone:* (202) 694-1100; Toll Free (800) 424-9530.

SUPPLEMENTARY INFORMATION:

Principal Campaign Committees

All principal campaign committees of candidates who participate in the Florida Special Primary and Special General Elections shall file a 12-day Pre-Primary Report on January 21, 2010; a 12-day Pre-General Report on March 25, 2010; and a 30-day Post-General Report on May 6, 2010. (See chart below for the closing date for each report).

All principal campaign committees of candidates participating *only* in the Special Primary Election shall file a 12-day Pre-Primary Report on January 21, 2010. (See chart below for the closing date for each report).

Note that these reports are in addition to the campaign committee's quarterly filings in April and July. (See chart below for the closing date for each report).

Unauthorized Committees (PACs and Party Committees)

Political committees filing on a quarterly basis in 2010 are subject to special election reporting if they make previously undisclosed contributions or expenditures in connection with the

Florida Special Primary or Special General Elections by the close of books for the applicable report(s). (See chart below for the closing date for each report).

Since disclosing financial activity from two different calendar years on one report would conflict with the calendar year aggregation requirements stated in the Commission's disclosure rules, unauthorized committees that trigger the filing of the Pre-Primary Report will be required to file this report on two separate forms: One form to cover 2009 activity, labeled as the Year-End Report; and the other form to cover only 2010 activity, labeled as the Pre-Primary Report. Both forms must be filed by January 21, 2010.

Committees filing monthly that make contributions or expenditures in connection with the Florida Special Primary or Special General Elections will continue to file according to the monthly reporting schedule.

Additional disclosure information in connection with the Florida Special Election may be found on the FEC Web site at http://www.fec.gov/info/report_dates.shtml.

Disclosure of Lobbyist Bundling Activity

Campaign committees, party committees and Leadership PACs that are otherwise required to file reports in connection with the special elections must simultaneously file FEC Form 3L if they receive two or more bundled contributions from lobbyists/registrants or lobbyist/registrant PACs that aggregate in excess of the lobbyist bundling disclosure threshold during the special election reporting periods (see charts below for closing date of each period). 11 CFR 104.22(a)(5)(v).

The lobbyist bundling disclosure threshold for calendar year 2009 is \$16,000. This threshold amount may increase in 2010 based upon the annual cost of living adjustment (COLA). As soon as the adjusted threshold amount is available, the Commission will publish it in the **Federal Register** and post it on its Web site. 11 CFR 104.22(g) and 110.17(e)(2). For more information on these requirements, see **Federal Register** Notice 2009-03, 74 FR 7285 (February 17, 2009).
