Certain Cut-to-Length Carbon Steel Plate from the People's Republic of China: Notice of Extension of Time Limit for Final Results of Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 20, 2009.

FOR FURTHER INFORMATION CONTACT: Demitri Kalogeropoulos, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2623.

Background

On August 10, 2009, the Department of Commerce ("Department") published the preliminary results of the administrative review of the antidumping duty order on certain cut-to-length carbon steel plate from the People's Republic of China, covering the period November 1, 2007, through October 31, 2008. See *Certain Cut-to-Length Carbon Steel Plate From the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 74 FR 39921 (August 10, 2009) ("*Preliminary Results*"). The final results are currently due no later than December 8, 2009.

Extension of Time Limits for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of this

review within the 120-day period is not practicable because the Department needs additional time to analyze and address complicated separate rate and affiliation issues for the final results. Therefore, in accordance with section 751(a)(3)(A) of the Act, given the complexity of issues in this case, we are extending the time limit for completion of the final results by 60 days.

An extension of 60 days from the current deadline of December 8, 2009, would result in a new deadline of February 6, 2010. However, since February 6, 2010, falls on a Saturday, a non-business day, the final results will now be due no later than February 8, 2010, the next business day.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 16, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Carbazole Violet Pigment 23 From India: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Jerrold Freeman or Richard Rimlinger, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone: (202) 482-0180 or (202) 482-4477, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on carbazole violet pigment 23 from India for the period December 1, 2007, through November 30, 2008. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 5821 (February 2, 2009). On September 3, 2009, we extended the due date for the completion of the

preliminary results of review by 75 days. See *Carbazole Violet Pigment 23 From India: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 74 FR 45610 (September 3, 2009). The preliminary results of the review are currently due no later than November 16, 2009.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month. See also 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the preliminary results of this administrative review by the current deadline of November 16, 2009, because we are in the process of analyzing the respondent's recent response to our supplemental questionnaire. Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we are extending the time period for issuing the preliminary results of this review by 29 additional days until December 15, 2009. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act and 19 CFR 351.213(h)(2).

Dated: November 13, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
