

Mary Jacinta Lewis, M.D., 72 FR 4035 (2007) (affirming immediate suspension of practitioner's registration when she allowed an unregistered person to use her registration to order controlled substances, supposedly for exportation to HIV-AIDS patients in Nigeria). DEA has repeatedly revoked the registrations of practitioners for such conduct. See also Paul Volkman, 73 FR 30630, 30644 & n.42 (2008); Anthony L. Cappelli, 59 FR 42288 (1994). Respondent is thus liable for Ms. Annan's acts of unlawful possession, distribution, and/or exportation of the controlled substances that she obtained under his registration.

As the forgoing demonstrates, Respondent engaged in the knowing and intentional diversion of controlled substances and is an egregious violator of the CSA. In essence, he leased his DEA registration to Ms. Annan to enable her to obtain extraordinary quantities of schedule III narcotics containing hydrocodone, a drug which is highly popular with drug abusers and which was undoubtedly distributed through illegitimate channels. Moreover, in furtherance of the conspiracy, Respondent also paid other doctors to obtain their DEA numbers so that he could order even more drugs for her.

Respondent's conduct does not remotely resemble the legitimate practice of medicine. Rather, he engaged in a criminal conspiracy to distribute controlled substances. His conduct clearly constituted "an imminent danger to the public health or safety," 21 U.S.C. 824(d), as well as acts which render his continued registration "inconsistent with the public interest." *Id.* § 824(a)(4). For these reasons (as well as my finding that he lacks authority under California law to dispense controlled substances, *id.* § 824(a)(3)), Respondent's registration will be revoked and his pending applications will be denied.

Order

Pursuant to the authority vested in me by 21 U.S.C. 823(f) & 824(a), as well as 28 CFR 0.100(b) & 0.104, I order that DEA Certificate of Registration, AR8613487, issued to Harrell E. Robinson, M.D., be, and it hereby is, revoked. I further order that Respondent's pending applications for the renewal or modification of this registration, as well as for additional registrations, be, and they hereby are, denied.

Dated: November 17, 2009.

Michele M. Leonhart,
Deputy Administrator.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

Notice: (09-101).

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Mrs. Lori Parker, National Aeronautics and Space Administration, Washington, DC 20546-0001.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Mrs. Lori Parker, NASA PRA Officer, NASA Headquarters, 300 E Street SW., JF000, Washington, DC 20546, (202) 358-1351, Lori.Parker-1@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

Pursuant to 35 U.S.C. 209, applicants for a license under a patent or patent application must submit information in support of their request for a license. NASA uses the submitted information to grant the license.

II. Method of Collection

The current paper-based system is used to collect the information. It is deemed not cost effect to collect the information using a Web site form since the applications submitted vary significantly in format and volume.

III. Data

Title: Application for Patent License.
OMB Number: 2700-0039.

Type of review: Extension of currently approved collection.

Affected Public: Business or other for-profit, and individuals or households.

Number of Respondents: 60.

Responses per Respondent: 1.

Annual Responses: 60.

Hours per Request: 10 hours.

Annual Burden Hours: 600.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection.
