AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: This notice amends the notice of a major disaster for the State of North Dakota (FEMA-1829-DR), dated March 24, 2009, and related determinations.

DATES: *Effective Date:* November 6, 2009.

FOR FURTHER INFORMATION CONTACT:

Peggy Miller, Disaster Assistance Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-3886.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated November 6, 2009, the President amended the cost-sharing arrangements regarding Federal funds provided under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121 *et seq.* (the "Stafford Act"), in a letter to W. Craig Fugate, Administrator, Federal

Emergency Management Agency, Department of Homeland Security, under Executive Order 12148, as follows:

I have determined that the damage in certain areas of the State of North Dakota resulting from severe storms and flooding during the period of March 13 to August 10, 2009, is of sufficient severity and magnitude that special cost sharing arrangements are warranted regarding Federal funds provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121 *et seq.* ("the Stafford Act").

Therefore, I amend my declaration of March 24, 2009, to authorize Federal funds for all categories of Public Assistance at 90 percent of total eligible costs.

This adjustment to State and local cost sharing applies only to Public Assistance costs and direct Federal assistance eligible for such adjustments under the law. The Robert T. Stafford Disaster Relief and Emergency Assistance Act specifically prohibits a similar adjustment for funds provided for Other Needs Assistance (Section 408), and the Hazard Mitigation Grant Program (Section 404). These funds will continue to be reimbursed at 75 percent of total eligible costs.

Updated List of the Ports-of-Entry Designated for Departure of Nonimmigrant Aliens Who Are Subject to Special Registration

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice announces that U.S. Customs and Border Protection is adding two new ports of entry to the list of ports through which nonimmigrant aliens subject to special registration requirements may depart from the United States. The new ports-of-entry include Oakland International Airport, California and Saipan, the Commonwealth of the Northern Mariana Islands. Special registration is required of nonimmigrant aliens whose presence in the United States requires closer monitoring.

DATES: *Effective Date:* Nonimmigrant aliens subject to special registration requirements may depart from the Oakland International Airport, California, effective November 25, 2009, and Saipan, the Commonwealth of the Northern Mariana Islands, effective November 28, 2009.

FOR FURTHER INFORMATION CONTACT: Kenneth Sava, U.S. Customs and Border Protection, Office of Field Operations, at (202) 344-2589.

SUPPLEMENTARY INFORMATION:**Nonimmigrant Aliens Subject to Special Registration Requirements**

Certain nonimmigrant aliens, who apply for admission to the United States, are subject to special registration requirements. Upon arrival in the United States, they shall provide information required by the Department of Homeland Security (DHS), such as information relating to their visa status, and they shall be fingerprinted and photographed. Other special registration requirements include appearing at in-

person verification or re-registration interviews at the discretion of DHS; providing notice to DHS of any change of address, residence, employment, or educational institution; and reporting departure from the United States to close their registration.

Pursuant to 8 CFR 264.1(f)(2)(i), the Secretary of Homeland Security, in consultation with the Secretary of State, may designate, by publishing a notice in the **Federal Register**, nonimmigrant aliens from certain foreign countries as subject to the special registration requirements. Nonimmigrant aliens, who meet certain pre-existing criteria indicating that such aliens' presence in the United States warrants monitoring due to the national security interests or law enforcement interests of the United States, are also subject to the special registration requirements. See 8 CFR 264.1(f)(2)(iii). By regulation, the special registration requirements also apply to any nonimmigrant aliens whom a consular or inspecting officer has reason to believe are nationals or citizens of one of the designated countries. See 8 CFR 264.1(f)(2)(ii).

Upon departure from the United States, nonimmigrant aliens subject to the special registration requirements must report to an inspecting officer at and depart from an approved port-of-entry (POE) as set forth by publication in the **Federal Register**.¹ See 8 CFR 264.1(f)(8). To date, there have been four **Federal Register** publications designating approved POEs for departure. On September 30, 2002, the former INS published a notice in the **Federal Register** at 67 FR 61352 which sets forth an affirmative list of 68 POEs that could be used for departure by specially registered nonimmigrant aliens. On February 19, 2003, the former INS published a notice in the **Federal Register** at 68 FR 8047, corrected at 68 FR 8967 (Feb. 26, 2003), adding 31 POEs, expanding the listing of POEs approved for departure to 99. Finally, on August 8, 2006, CBP published a notice in the **Federal Register** at 71 FR 45061 updating the listing of POEs by removing one POE from the listing and adding 17 further POEs for a total of 115 POEs that could be used for departure by specially registered nonimmigrant aliens.

¹ An alien who has been specially registered and has not yet departed the United States may seek relief from the departure control requirement for that admission by applying to the U.S. Customs and Border Protection (CBP) field office director for the port from which the alien intends to depart. The alien must establish that exigent or unusual circumstances exist and that the alien warrants a favorable exercise of discretion. See 8 CFR 264.1(f)(7)(i).
