

(Catalog of Federal Domestic Assistance No. 97.022, "Flood Insurance.")

Deborah S. Ingram,

Acting Deputy Assistant Administrator for Mitigation, Mitigation Directorate, Department of Homeland Security, Federal Emergency Management Agency.

[FR Doc. E9-28312 Filed 11-24-09; 8:45 am]

BILLING CODE 9110-12-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 67

[Docket ID FEMA-2008-0020; Internal Agency Docket No. FEMA-B-1078]

Proposed Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Proposed rule.

SUMMARY: Comments are requested on the proposed Base (1% annual-chance) Flood Elevations (BFEs) and proposed BFE modifications for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the proposed regulatory flood elevations for the reach described by the downstream and upstream locations in the table below. The BFEs and modified BFEs are a part of the floodplain management measures that the community is required either to adopt or show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition, these elevations, once finalized, will be used by insurance agents, and others to calculate appropriate flood insurance premium rates for new buildings and the contents in those buildings.

DATES: Comments are to be submitted on or before February 23, 2010.

ADDRESSES: The corresponding preliminary Flood Insurance Rate Map (FIRM) for the proposed BFEs for each community is available for inspection at the community's map repository. The respective addresses are listed in the table below.

You may submit comments, identified by Docket No. FEMA-B-1078, to Kevin C. Long, Acting Chief, Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-2820, or (e-mail) kevin.long@dhs.gov.

FOR FURTHER INFORMATION CONTACT:

Kevin C. Long, Acting Chief, Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-2820, or (e-mail) kevin.long@dhs.gov.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) proposes to make determinations of BFEs and modified BFEs for each community listed below, in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed BFEs and modified BFEs, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed elevations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after these elevations are made final, and for the contents in these buildings.

Comments on any aspect of the Flood Insurance Study and FIRM, other than the proposed BFEs, will be considered. A letter acknowledging receipt of any comments will not be sent.

National Environmental Policy Act.

This proposed rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Consideration. An environmental impact assessment has not been prepared.

Regulatory Flexibility Act. As flood elevation determinations are not within the scope of the Regulatory Flexibility Act, 5 U.S.C. 601-612, a regulatory flexibility analysis is not required.

Executive Order 12866, Regulatory Planning and Review. This proposed rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866, as amended.

Executive Order 13132, Federalism. This proposed rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This proposed rule meets the applicable standards of Executive Order 12988.

List of Subjects in 44 CFR Part 67

Administrative practice and procedure, Flood insurance, Reporting and recordkeeping requirements.

Accordingly, 44 CFR part 67 is proposed to be amended as follows:

PART 67—[AMENDED]

1. The authority citation for part 67 continues to read as follows:

Authority: 42 U.S.C. 4001 *et seq.*; Reorganization Plan No. 3 of 1978, 3 CFR, 1978 Comp., p. 329; E.O. 12127, 44 FR 19367, 3 CFR, 1979 Comp., p. 376.

§ 67.4 [Amended]

2. The tables published under the authority of § 67.4 are proposed to be amended as follows:

Flooding source(s)	Location of referenced elevation	* Elevation in feet (NGVD) + Elevation in feet (NAVD) # Depth in feet above ground ^ Elevation in meters (MSL)		Communities affected
		Effective	Modified	
Jackson County, Florida, and Incorporated Areas				
Buck Pelt Creek	Just upstream of Fillmore Drive	None	+83	Unincorporated Areas of Jackson County.
Chipola River	Approximately 0.4 mile upstream of State Highway 73	None	+137	Unincorporated Areas of Jackson County.
	Approximately 1,450 feet upstream of County Highway 162.	None	+88	

Flooding source(s)	Location of referenced elevation	* Elevation in feet (NGVD) + Elevation in feet (NAVD) # Depth in feet above ground ^ Elevation in meters (MSL)		Communities affected
		Effective	Modified	
Chipola River Tributary 7	At the confluence with Marshall Creek	None	+93	Unincorporated Areas of Jackson County, City of Marianna
	Approximately 0.4 mile downstream of Jefferson Street.	None	+83	
Dry Creek	Approximately 1.6 mile upstream of Penn Avenue	None	+134	Unincorporated Areas of Jackson County.
	Approximately 2.7 miles upstream of the confluence with Chipola River.	None	+74	
Dry Creek Tributary 11	Just downstream of Mill Road	None	+97	Unincorporated Areas of Jackson County.
	At the confluence with Dry Creek	None	+74	
Little Creek	Approximately 1.5 mile upstream of the confluence with Dry Creek.	None	+74	Unincorporated Areas of Jackson County.
	Just downstream of Ezell Road	None	+147	
Long Branch	Approximately 590 feet downstream of Ezell Road	None	+147	Unincorporated Areas of Jackson County.
	At the confluence with Dry Creek	None	+74	
Long Branch Tributary 2	Approximately 0.8 mile upstream of Interstate 10	None	+132	Unincorporated Areas of Jackson County.
	At the confluence with Long Branch	None	+78	
Long Branch Tributary 3	Approximately 0.7 mile upstream of the confluence with Long Branch.	None	+98	Unincorporated Areas of Jackson County.
	At the confluence with Long Branch	None	+87	
Unnamed Stream 59	Approximately 1.3 mile upstream of Thompson Road	None	+129	Unincorporated Areas of Jackson County.
	At the confluence with Unnamed Stream 59-1	None	+77	
Unnamed Stream 59-1	Approximately 1.1 mile upstream of the confluence with Unnamed Stream 59-1.	None	+96	Unincorporated Areas of Jackson County.
	At the confluence with Unnamed Stream 59	None	+77	
	Approximately 0.5 mile upstream of Bright Prospect Road.	None	+108	

* National Geodetic Vertical Datum.

+ North American Vertical Datum.

Depth in feet above ground.

^ Mean Sea Level, rounded to the nearest 0.1 meter.

** BFEs to be changed include the listed downstream and upstream BFEs, and include BFEs located on the stream reach between the referenced locations above. Please refer to the revised Flood Insurance Rate Map located at the community map repository (see below) for exact locations of all BFEs to be changed.

Send comments to Kevin C. Long, Acting Chief, Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472.

ADDRESSES

City of Marianna

Maps are available for inspection at City Hall, 2898 Green Street, Marianna, FL 32446.

Unincorporated Areas of Jackson County

Maps are available for inspection at the Chamber of Commerce, 4318 Lafayette Street, Marianna, FL 32446.

Bacon County, Georgia, and Incorporated Areas

Hurricane Creek	Approximately 1,650 feet upstream of State Highway 32.	None	+143	Unincorporated Areas of Bacon County.
	Approximately 575 feet upstream of U.S. Highway 1 ..	None	+149	

* National Geodetic Vertical Datum.

+ North American Vertical Datum.

Depth in feet above ground.

^ Mean Sea Level, rounded to the nearest 0.1 meter.

** BFEs to be changed include the listed downstream and upstream BFEs, and include BFEs located on the stream reach between the referenced locations above. Please refer to the revised Flood Insurance Rate Map located at the community map repository (see below) for exact locations of all BFEs to be changed.

Send comments to Kevin C. Long, Acting Chief, Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472.

Flooding source(s)	Location of referenced elevation	* Elevation in feet (NGVD) + Elevation in feet (NAVD) # Depth in feet above ground ^ Elevation in meters (MSL)		Communities affected
		Effective	Modified	

ADDRESSES**Unincorporated Areas of Bacon County**

Maps are available for inspection at 502 West 12th Street, Alma, GA 31510.

Baldwin County, Georgia, and Incorporated Areas

Fishing Creek	approximately 0.4 mile downstream of U.S. Highway 441.	None	+276	City of Milledgeville.
Fishing Creek (backwater area).	Approximately 1.9 mile upstream of Blandy Road	None	+297	Unincorporated Areas of Baldwin County.
	Approximately 0.5 mile southwest of Blandy Road and railroad.	None	+289	

* National Geodetic Vertical Datum.

+ North American Vertical Datum.

Depth in feet above ground.

^ Mean Sea Level, rounded to the nearest 0.1 meter.

** BFEs to be changed include the listed downstream and upstream BFEs, and include BFEs located on the stream reach between the referenced locations above. Please refer to the revised Flood Insurance Rate Map located at the community map repository (see below) for exact locations of all BFEs to be changed.

Send comments to Kevin C. Long, Acting Chief, Engineering Management Branch, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472.

ADDRESSES**City of Milledgeville**

Maps are available for inspection at the Water Department, 119 East Hancock Street, Milledgeville, GA 31061.

Unincorporated Areas of Baldwin County

Maps are available for inspection at the County Commissioner's Office, 121 North Wilkinson Street, Suite 314, Milledgeville, GA 31061.

Candler County, Georgia, and Incorporated Areas

Lotts Creek	At Candler/Bulloch county boundary	None	+165	Unincorporated Areas of Candler County.
	Approximately 300 feet upstream of Candler/Bulloch county boundary.	None	+165	

* National Geodetic Vertical Datum.

+ North American Vertical Datum.

Depth in feet above ground.

^ Mean Sea Level, rounded to the nearest 0.1 meter.

** BFEs to be changed include the listed downstream and upstream BFEs, and include BFEs located on the stream reach between the referenced locations above. Please refer to the revised Flood Insurance Rate Map located at the community map repository (see below) for exact locations of all BFEs to be changed.

BILLING CODE 9110-12-P

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****49 CFR Part 214**

[Docket No. FRA-2008-0059, Notice No. 3]

RIN 2130-AB96

Railroad Workplace Safety; Adjacent-Controlled-Track On-Track Safety for Roadway Workers

AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: FRA proposes to amend its regulations on railroad workplace safety to reduce further the risk of serious injury or death to roadway workers. In particular, FRA proposes to require that railroads adopt specified on-track safety procedures to protect certain roadway work groups from the movement of

trains or other on-track equipment on "adjacent controlled track." FRA proposes to define "adjacent controlled track" to mean "a controlled track whose track center is spaced 19 feet or less from the track center of the occupied track." These on-track safety procedures would be required for each adjacent controlled track when a roadway work group with at least one of the roadway workers on the ground is engaged in a common task with an on-track roadway maintenance machine or coupled equipment on an occupied track. FRA also proposes to require that railroads, contractors to railroads, and roadway workers comply with these procedures. The NPRM issued as "Notice No. 1" under this same docket number and published July 17, 2008 (73 FR 41214), was withdrawn by "Notice No. 2" published August 13, 2008 (73 FR 47124).

DATES: (1) Written comments must be received no later than January 25, 2010. Comments received after that date will be considered to the extent possible without incurring additional expense or delay.

(2) FRA anticipates being able to resolve this rulemaking without a public, oral hearing. However, if FRA receives a specific request for a public, oral hearing prior to December 28, 2009, one will be scheduled and FRA will publish a supplemental notice in the **Federal Register** to inform interested

parties of the date, time, and location of any such hearing.

ADDRESSES: Comments: You may submit comments on this NPRM, identified by Docket No. FRA-2008-0059, Notice No. 3, by any of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.

- **Mail:** Docket Management Facility, U.S. Department of Transportation, West Building, Ground Floor, M-33, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590.

- **Hand Delivery or Courier:** Docket Management Facility, U.S. Department of Transportation, West Building, Ground Floor, M-33, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC, between 9 a.m. and 5 p.m. ET, Monday through Friday, except Federal holidays.

- **Fax:** 202-493-2251.

Instructions: For detailed instructions on submitting comments, and additional information on the rulemaking process, see the "Public Participation" heading of the **SUPPLEMENTARY INFORMATION** section of this preamble. Note that all comments received will be posted without change to <http://www.regulations.gov>, including any personal information provided. Please see the "Privacy Act" subheading under the "Regulatory Impact and Notices"
