

whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 4 below, by the initial shareholder(s) before offering shares of such Fund to the public.

3. Within 90 days of the hiring of any new investment subadvisor, the Adviser will furnish shareholders of the affected Fund with all information about such investment subadvisor that would be included in a proxy statement, including any change in such disclosure caused by the addition of the new investment subadvisor. To meet this condition, the Funds will provide shareholders with an information statement meeting the requirements of Regulation 14C, Schedule 14C, and Item 22 of Schedule 14A under the Securities Exchange Act of 1934.

4. Each Fund will disclose in its prospectus the existence, substance, and effect of any order granted pursuant to the application. In addition, each Fund will hold itself out to the public as employing the Management Structure described in the application. The prospectus will prominently disclose that the Adviser has ultimate responsibility (subject to oversight by the Board) to oversee investment subadvisors and recommend their hiring, termination and replacement.

5. No trustee or officer of any Fund, or director or officer of the Adviser will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by any such director, trustee, or officer) any interest in an investment subadvisor except for: (i) Ownership of interests in the Adviser or any entity that controls, is controlled by, or under common control with the Adviser; or (ii) ownership of less than 1% of the outstanding securities of any class of equity or debt securities of any publicly-traded company that is either an investment subadvisor or an entity that controls, is controlled by or is under common control with an investment subadvisor.

6. The Adviser will not enter into investment subadvisory agreements on behalf of a Fund with any affiliated investment subadvisor without such agreement, including the compensation to be paid under the agreement, being approved by the shareholders of the applicable Fund.

7. At all times, at least a majority of the Board will be Independent Trustees, and the nomination of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

8. When a change of investment subadvisor is proposed for a Fund with an affiliated investment subadvisor, the

Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the minutes of meetings of the Board, that any such change of investment subadvisors is in the best interest of the Fund and its shareholders and does not involve a conflict of interest from which the Adviser or the affiliated investment subadvisor derives an inappropriate advantage.

9. In the event the Commission adopts a rule under the Act providing substantially similar relief to that in the requested order, the requested order will expire on the effective date of that rule.

For the Commission, by the Division of Investment Management, under delegated authority.

Elizabeth M. Murphy,
Secretary.
