

the ability of U.S.-based enterprises to compete with foreign-based enterprises.

4. Unfunded Mandates Reform Act.

This departmental manual change does not impose an unfunded mandate on State, local, or tribal governments or the private sector of more than \$100 million per year. A statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

5. Takings (E.O. 12630).

Under the criteria in E.O. 12630, this departmental manual change does not have significant takings implications. A takings implication assessment is not required.

6. Federalism (E.O. 13132).

Under the criteria in E.O. 13132, this DM change does not have sufficient Federalism implications to warrant the preparation of a Federalism summary impact statement. A Federalism summary impact statement is not required.

7. Consultation With Indian tribes (E.O. 13175).

Under the criteria in E.O. 13175, we have evaluated this DM change and determined that it has no potential effects on federally recognized Indian tribes since Native Hawaiians are not a federally recognized Indian tribe.

8. National Environmental Policy Act.

The CEQ does not direct agencies to prepare a NEPA analysis or document before establishing agency procedures that supplement the CEQ regulations for implementing NEPA. Agency NEPA procedures are procedural guidance to assist agencies in the fulfillment of agency responsibilities under NEPA, but are not the agency's final determination of what level of NEPA analysis is required for a particular proposed action. The requirements for establishing agency NEPA procedures are set forth at 40 CFR 1505.1 and 1507.3. The determination that establishing agency NEPA procedures does not require NEPA analysis and documentation has been upheld in *Heartwood, Inc. v. U.S. Forest Service*, 73 F. Supp. 2d 962, 972–73 (S.D. III. 1999), *aff'd* 230 F.3d 947, 954–55 (7th Cir. 2000).

9. Paperwork Reduction Act.

This rule does not contain information collection requirements, and a submission under the Paperwork Reduction Act is not required.

Willie R. Taylor,

Director, Office of Environmental Policy and Compliance.

For the reasons stated in the preamble, the Department proposes to amend its DM by adding a new chapter to provide supplementary requirements

for implementing provisions of 516 DM 1 through 4 within the Department's Office of Hawaiian Relations (OHR), as set forth below:

PART 516: NATIONAL ENVIRONMENTAL POLICY ACT OF 1969

CHAPTER 7: MANAGING THE NEPA PROCESS—OFFICE OF HAWAIIAN RELATIONS

7.1 Purpose. This Chapter provides supplementary requirements for implementing provisions of 516 DM 1 through 6 within the Department's Office of Hawaiian Relations.

7.2 NEPA Responsibility.

A. The Director of the Office of Hawaiian Relations is responsible for NEPA compliance for OHR activities.

B. The Director of the Office of Hawaiian Relations, in conjunction with the Office of Environmental Policy Compliance, provides direction and oversight for environmental activities, including the implementation of NEPA.

C. The OHR may request the Department of Hawaiian Home Lands (DHHL) to assist in preparing NEPA documentation for a proposed action submitted by the Secretary.

7.3 Guidance to DHHL.

A. Actions Proposed by the DHHL requiring OHR or other Federal approval.

(1) The OHR retains sole responsibility and discretion in all NEPA compliance matters related to the proposed action, although the Director of OHR may request the DHHL to assist in preparing all NEPA documentation.

B. Actions proposed by the DHHL not requiring Federal approval, funding, or official actions, are not subject to NEPA requirements.

7.4 Actions Normally Requiring an Environmental Assessment (EA) or Environmental Impact Statement (EIS) if these activities are connected to a land exchange requiring the Secretary's approval.

A. The following actions require preparation of an EA or EIS:

(1) Actions not categorically excluded; or

(2) Actions involving extraordinary circumstances as provided in 43 C.F.R. Part 46.215.

B. Actions not categorically excluded or involving extraordinary circumstances as provided in 43 C.F.R. Part 46.210, will require an EA when:

(1) An EA will be used in deciding whether a finding of no significant impact is appropriate, or whether an EIS is required prior to implementing any action.

(2) The action is not being addressed by an EIS.

C. If an EA is prepared, it will comply with the requirements of 43 CFR part 46 subpart D.

D. The following actions normally require the preparation of an EIS:

(1) Proposed water development projects which would inundate more than 1,000 acres of land, or store more than 30,000 acre-feet of water, or irrigate more than 5,000 acres of undeveloped land.

(2) Construction of a treatment, storage or disposal facility for hazardous waste or toxic substances.

(3) Construction of a solid waste facility.

E. If an EIS is prepared, it will comply with the requirements of 43 CFR part 46 subpart E

7.5 Categorical Exclusion. In addition to the actions listed in the Departmental categorical exclusions specified in section 43 C.F.R. 46.210, the following action is categorically excluded unless any of the extraordinary circumstances in section 43 C.F.R. 46.215 apply, thus requiring an EA or an EIS. This activity is a single, independent action not associated with larger, existing or proposed complexes or facilities.

A. Approval of conveyances, exchanges and other transfers of land or interests in land between DHHL, and an agency of the State of Hawaii, or a Federal agency, where no change in the land use is planned.

¹ For purposes of these investigations, the Department of Commerce has defined the subject merchandise as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The scope of these investigations excludes (1) polyethylene bags that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) polyethylene bags that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, e.g., garbage bags, lawn bags, trash-can liners.

SUPPLEMENTARY INFORMATION:

Background.—The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that certain benefits which constitute subsidies within the meaning of section 703 of the Act (19 U.S.C. 1671b) are being provided to manufacturers, producers, or exporters in Vietnam of PRCBs, and that such products from Indonesia, Taiwan, and Vietnam are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigations were requested in petitions filed on March 31, 2009, by Hilex Poly Co., LLC, Hartsville, SC and Superbag Corp., Houston, TX.

Participation in the investigations and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the
