SUMMARY: By this Notice and in accordance with 31 CFR 129, the Department of the Treasury is informing the public that it is conducting a mandatory survey of U.S. ownership of foreign securities as of December 31, 2009. This Notice constitutes legal notification to all United States persons (defined below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, this survey. Additional copies of the reporting form SHCA (2009) and instructions may be printed from the Internet at: <http://www.treas.gov/tic/forms-sh.html>.

Definition: Pursuant to 22 U.S.C. 3102 a United States person is any individual, branch, partnership, associated group, association, estate,

trust, corporation, or other organization (whether or not organized under the laws of any State), and any government (including a foreign government, the United States Government, a State or local government, and any agency, corporation, financial institution, or other entity or instrumentality thereof, including a government-sponsored agency), who resides in the United States or is subject to the jurisdiction of the United States.

Who Must Report: The panel for this survey is based upon the level of U.S. holdings of foreign securities reported on the December 2006 benchmark survey of U.S. holdings of foreign securities, and will consist primarily of the largest reporters on that survey. Entities required to report will be contacted individually by the Federal Reserve Bank of New York. Entities not contacted by the Federal Reserve Bank of New York have no reporting responsibilities.
