

the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days.

We determine that it is not practicable to complete the final results of this review within the extended time limit because the Department requires additional time to analyze issues raised in parties' briefs and rebuttal briefs, which were also discussed in meetings with counsel for the parties, such as, surrogate values and third-country processing. Therefore, given the complexity of the issues in this case, we are extending the time limit for completion of the final results by an additional 21 days.

An extension of 21 days from the current deadline of December 5, 2009, would result in a new deadline of December 26, 2009. However, since December 26, 2009, falls on a Saturday, a non-business day, the final results will now be due no later than December 28, 2009, the next business day.

This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: December 1, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Background

On August 7, 2009, the Department of Commerce (the Department) published the preliminary results of the administrative review of the

countervailing duty order on polyethylene terephthalate (PET) film, sheet, and strip from India. See *Polyethylene Terephthalate Film, Sheet, and Strip from India: Preliminary Results of Countervailing Duty Administrative Review*, 74 FR 39631 (August 7, 2009). This review covers one producer/exporter of the subject merchandise to the United States, Jindal Poly Films Ltd. (Jindal), as well as the Government of India (GOI).

Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(1), the Department shall issue final results in an administrative review of a countervailing duty order within 120 days after the date on which notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the Department to extend the 120-day period to 180 days.

Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we determine that it is not practicable to complete the results of this review within the original time limit. The Department needs additional time to analyze the supplemental questionnaire responses, which were recently submitted, and to determine whether any additional information is required. In accordance with section 751(a)(3)(A) of the Act, the Department has decided to extend the time limit for the final results from 120 days to 180 days; the final results will now be due no later than February 3, 2010.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: December 1, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
