[STB Docket No. AB-1051X]

Gloster Southern Railroad Company LLC—Discontinuance of Service Exemption—in Amite and Wilkinson Counties, MS and East Feliciana Parish, LA

Gloster Southern Railroad Company LLC (GLSR) has filed a verified notice of exemption under 49 CFR 1152 Subpart F—*Exempt Abandonments and Discontinuances of Service* to discontinue service over a 32.7-mile line of railroad between milepost 0.0, at Slaughter, LA, and milepost 32.7, at Gloster, MS, in East Feliciana Parish, LA, and Wilkinson and Amite Counties, MS. The line traverses United States Postal Service Zip Codes 39631, 39638, 70730, 70761, and 70777.

GLSR has certified that: (1) No traffic has moved over the line for at least 2 years; (2) any overhead traffic can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Board or with any U.S. District Court or has been decided in favor of

complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.12 (newspaper publication) and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on January 13, 2010,¹ unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues and formal expressions of intent to file an OFA for continued rail service under 49 CFR 1152.27(c)(2),² must be filed by December 24, 2009.³ Petitions to reopen must be filed by January 5, 2010, with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to GLSR's representative: Fritz R. Kahn, Fritz R. Kahn, P.C., 1920 N Street, NW. (8th floor), Washington, DC 20036.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

Board decisions and notices are available on our Web site at: <http://www.stb.dot.gov>.

Decided: December 8, 2009.

By the Board, Joseph H. Dettmar, Acting Director, Office of Proceedings.

¹ GLSR submitted its original notice of exemption on October 27, 2009, without an affidavit certifying newspaper publication as required under 49 CFR 1105.12. On November 24, 2009, GLSR filed such an affidavit. Accordingly, the file date for this notice of exemption is November 24, 2009.

² Each OFA must be accompanied by the filing fee, which currently is set at \$1,500. See 49 CFR 1002.2(f)(25).

³ Because this is a discontinuance proceeding and not an abandonment, trail use/rail banking and public use conditions are not appropriate. Likewise, no environmental or historical documentation is required here under 49 CFR 1105.6(c) and 1105.8(b), respectively.

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by the California Department of Transportation (Caltrans), pursuant to 23 U.S.C. 327, and other Federal agencies, such as U.S. Army Corps of Engineers (USACE) that are using this NEPA document in its decisionmaking.

SUMMARY: The FHWA, on behalf of Caltrans, is issuing this notice to announce actions taken by Caltrans, and applicable Federal agencies that are final within the meaning of 23 U.S.C. 139(j)(1). The actions relate to a proposed highway project, State Route 152, Los Banos Bypass Project postmiles 16.0 to 24.8 in Merced County, State of California. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA, on behalf of Caltrans, is advising the public of final agency actions subject to 23 U.S.C. 139(j)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before June 14, 2010. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

SUPPLEMENTARY INFORMATION: Effective July 1, 2007, the FHWA assigned, and Caltrans assumed environmental responsibilities for this project pursuant to 23 U.S.C. 327. Notice is hereby given that the Caltrans, has taken final agency actions subject to 23 U.S.C. 139(j)(1) approving the following highway project in the State of California: The Los Banos Bypass Project would build a four-lane freeway within an ultimate six-lane right-of-way. Alternative 3M, the chosen alternative, would proceed northeast from a western interchange and cross Badger Flat Road. The alignment would range from approximately 2,055 to 3,266 feet south of Henry Miller Road. The alignment would then dip southeast to run between the San Luis and Santa Fe canals. An interchange is proposed near

Santa Fe Grade Road post mile 23.5, where the bypass would connect with the existing State Route 152. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Statement (FEIS) for the project, approved on June 25, 2007, in the FHWA Record of Decision (ROD) issued on September 14, 2009 and in other documents in the FHWA project records. The FEIS, ROD, and other project records are available by contacting Caltrans at the address provided above.

[Docket Nos. FMCSA–1999–5578; FMCSA–1999–6480; FMCSA–2001–9561; FMCSA–2003–15892; FMCSA–2007–27897; FMCSA–2007–28695]

Qualification of Drivers; Exemption Renewals; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition.

SUMMARY: FMCSA previously announced its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 19 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has concluded that granting these exemptions will provide a level of safety that will be equivalent to, or greater than, the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

FOR FURTHER INFORMATION CONTACT: Dr. Mary D. Gunnels, Director, Medical Programs, (202) 366–4001, fmcamedical@dot.gov, FMCSA, Department of Transportation, 1200 New Jersey Avenue, SE., Room W64–224, Washington, DC 20590–0001.

Office hours are from 8:30 a.m. to 5 p.m. Monday through Friday, except Federal holidays.

You may see all the comments online through the Federal Document Management System (FDMS) at <http://www.regulations.gov>

Background

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption for a 2-year period if it finds “such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption.” The statute also allows the Agency to renew exemptions at the end of the 2-year period. The comment period ended on November 18, 2009 (74 FR 53581).

Discussion of Comments

FMCSA received no comments in this proceeding.

Conclusion

The Agency has not received any adverse evidence on any of these drivers that indicates that safety is being compromised. Based upon its evaluation of the 19 renewal applications, FMCSA renews the Federal vision exemptions for Lauren C. Allen, Tracey A. Ammons, David N. Cleveland, Randy B. Combs, Robert L. Cross, Jr., James D. Davis, Thomas E. Dixon, Edward J. Genovese, Dewayne E. Harms, Mark D. Kraft, David F. LeClerc, Charles D. Oestreich, Carson E. Rohrbaugh, Donald J. Snider, John A. Sortman, Jesse L. Townsend, James A. Welch, Edward W. Yeates, Jr., and Michael E. Yount.

In accordance with 49 U.S.C. 31136(e) and 31315, each renewal exemption will be valid for 2 years unless revoked earlier by FMCSA. The exemption will be revoked if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136 and 31315.
