

item was recommended by the TAAC Petition Team. Following are the changes to Form ED-840P:

(1) Item 1 has been revised so that a firm's congressional district may be recorded. This will allow EDA to comply with the statutory requirement to report the number of petitions and certifications by congressional district.

(2) Item 6 has been revised so that petitioners may clarify whether they are using decline in net sales or net production to qualify. This will allow a more accurate calculation of a firm's productivity measure, which EDA is calculating as net sales per employee. EDA is required to report on a firm's productivity at time of certification, upon completion of the program, and each year for the two years thereafter.

(3) The eligibility criteria have been revised to allow for a 24 or 36-month look-back period. Item 6 of Form ED-840P has been revised so that petitioners can clearly indicate their look-back period.

(4) As recommended by the TAACs, Item 12 has been revised to allow the respective TAAC Director to sign certifying the accuracy and completeness of the petition information.

II. Method of Collection

Form ED-840P may be downloaded in Portable Document Format (PDF) from EDA's Web site at <http://www.eda.gov/InvestmentsGrants/Directives.xml>.

Both petitions for certification on Form ED-840P and adjustment proposals may be submitted via e-mail to taac@eda.doc.gov or in hard copy to EDA at 1401 Constitution Avenue, NW., Room 7106, Washington DC 20230.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 16, 2009.

FOR FURTHER INFORMATION CONTACT: Seth Isenberg or Patricia Tran, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone (202) 482-0558 and (202) 482-1503, respectively.

SUPPLEMENTARY INFORMATION:

Supplementary Information

On June 24, 2009, the Department published a notice of initiation of an administrative review of the antidumping duty order on certain polyester staple fiber ("PSF") from the Republic of Korea ("Korea"), covering the period May 1, 2008, through April 30, 2009. See *Initiation of Antidumping and Countervailing Duty Administrative*

Reviews and Requests for Revocation in Part, 74 FR 30052 (June 24, 2009). The preliminary results for this review are currently due no later than January 31, 2010.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the preliminary results to a maximum of 365 days.

The Department requires additional time to review and analyze the respondent's sales and cost information and to issue supplemental questionnaires. Thus, we have determined that it is not practicable to complete this review within the previously established time limit (*i.e.*, by January 31, 2010). Therefore, the Department is extending the time limit for completion of these preliminary results by 120 days to no later than May 31, 2010, in accordance with section 751(a)(3)(A) of the Act. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: December 10, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
