**Magnesium Metal from the Russian Federation: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** December 16, 2009.

**FOR FURTHER INFORMATION CONTACT:** Hermes Pinilla, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3477.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department of Commerce (the Department) published an antidumping duty order on magnesium metal from the Russian Federation on April 15, 2005. See *Notice of Antidumping Duty Order: Magnesium Metal From the Russian Federation*, 70 FR 19930 (April 15, 2005). On April 1, 2009, we published the notice of opportunity to request administrative review. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 74 FR 14771 (April 1, 2009). In response to the opportunity to request an administrative review, PSC VSMPO-AVISMA Corporation, a Russian Federation producer of the subject merchandise, requested that the Department conduct an administrative review on April 30, 2009. On April 30, 2009, U.S. Magnesium Corporation LLC, the petitioner in this proceeding, also requested that the Department conduct an administrative review with respect to PSC VSMPO-AVISMA Corporation and Solikamsk Magnesium Works (SMW). On May 29, 2009, the Department published a notice of initiation of an administrative review of the antidumping duty order on magnesium

metal from the Russian Federation for the period April 1, 2008, through March 31, 2009. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 74 FR 25711 (May 29, 2009). The preliminary results of this administrative review are currently due no later than December 31, 2009.

**Extension of Time Limit for Preliminary Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published in the **Federal Register**. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review by the current deadline of December 31, 2009, because we require additional time to analyze a number of complex cost-accounting and corporate-affiliation issues relating to this administrative review that have been raised by parties to the proceeding. In addition, we plan to verify the questionnaire responses submitted for this review which will require additional time.

Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we are extending the time period for issuing the preliminary results of this review by 120 days to April 30, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777 (i)(1) of the Act.

Dated: December 9, 2009.
