

approved Section 901 plans. Reports will be submitted by each PHA four times per year for five consecutive years for each calendar year of funding. Section 901 PHAs have five years to expend funds designated for Section 901 flexibility for a given calendar year (2006, 2007, 2008, and/or 2009). Total annual reporting burden for ten PHAs to submit quarterly reports of their progress in carrying out Section 901 approved activities and rates of obligations and expenditures for CY 2006, 2007, 2008, and 2009 funding is estimated at 640 hours.

Annual Report. Annual reports will address: (1) PHA progress and results in carrying out Section 901 activities, (2) the amount of program funds approved under Section 901 flexibility for other program uses, (3) the amount of funds obligated during the year and cumulatively for Section 901 approved activities, and (4) the amount of funds expended annually and cumulatively for Section 901 approved activities. These reports are expected to address progress-to-date during the five-year expenditure period for initiating and getting Section 901 activities underway, and reporting on challenges or unforeseen obstacles.

Final Report. This is a one-time submission estimated to take forty hours for each of up to ten PHAs, including the Housing Authority of New Orleans, for a total reporting burden of 400 hours. The final report is expected to address all programmatic and financial matters pertinent to Section 901 implementation, including the PHA's performance in carrying out all approved Section 901 activities, including but not limited to public housing redevelopment and capital improvements, public housing mixed-finance development, affordable housing development coupled with use of project-based vouchers, homeownership development and incentives, property acquisitions, and re-occupancy programs; in addition to accounting for the final obligation and expenditure of Section 901 designated funds and remaining balances.
