

complete the review within the foregoing time period.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable because the Department requires additional time to analyze information pertaining to the respondent's sales practices, factors of production, and to issue and review responses to supplemental questionnaires. Therefore, we require additional time to complete these preliminary results. As a result, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of this review by 75 days until March 16, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: December 16, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Extension of Time Limit for Final Results of the New Shipper and Fifth Antidumping Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* December 23, 2009.

FOR FURTHER INFORMATION CONTACT: Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-2243.

Background

On September 4, 2009, the Department of Commerce ("Department") published the preliminary results of these new shipper and administrative reviews for the period August 1, 2007, through July 31, 2008. *See Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Notice of Preliminary Results of New Shipper Reviews and Fifth Antidumping Duty Administrative Review*, 74 FR

45805 (September 4, 2009) ("*Preliminary Results*"). The final results are currently due on January 2, 2010.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), and 19 CFR 351.213(h)(1) require the Department to issue the final results in an administrative review of an antidumping duty order 120 days after the date on which the preliminary results are published. The Department may, however, extend the deadline for completion of the final results of an administrative review to 180 days if it determines it is not practicable to complete the review within the foregoing time period. *See* section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

The Department finds that it is not practicable to complete the final results in the aligned new shipper and fifth antidumping duty administrative reviews of certain frozen fish fillets from Vietnam within this time limit. *See* Memo to the File re: Alignment of 4th New Shipper Review of Certain Frozen Fish Fillets from the Socialist Republic of Vietnam with the 5th Administrative Review of Certain Frozen Fish Fillets from the Socialist Republic of Vietnam (March 20, 2009). The Department is extending the deadline because additional time is needed to review interested parties' case and rebuttal briefs. For the reasons noted above, we are extending the time for the completion of the final results of this review by 60 days to March 3, 2010.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: *December 9, 2009.*

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

National Oceanic and Atmospheric Administration

Federal Consistency Appeal by Chicago Deer River Properties, LLC, d/b/a Theodore Industrial Port

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice of appeal.

SUMMARY: This announcement provides notice that Chicago Deer River Properties, LLC, d/b/a Theodore Industrial Port (Theodore Industrial Port), has filed an administrative appeal with the Department of Commerce (Department), asking that the Secretary override an objection by the Alabama Department of Environmental Management (Alabama) to the proposed filling of a tidal pond at Theodore Industrial Port facilities in Theodore, Alabama, near Mobile Bay.

DATES: Comments regarding this appeal or requests for a public hearing must be sent in writing to the NOAA, Office of General Counsel for Ocean Services postmarked or e-mailed no later than January 29, 2010.

ADDRESSES: Materials from the appeal record will be available at the NOAA, Office of General Counsel for Ocean Services, 1305 East-West Highway, Room 6111, Silver Spring, MD 20910 and on the following Web site: <http://www.ogc.doc.gov/czma.htm>.

FOR FURTHER INFORMATION CONTACT: Thomas Street, Attorney-Advisor, NOAA, Office of General Counsel, 301-713-7390, or at gcos.inquiries@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Notice of Appeal

On November 25, 2009, Theodore Industrial Port filed notice of an appeal with the Secretary of Commerce (Secretary), pursuant to the Coastal Zone Management Act of 1972 (CZMA), 16 U.S.C. 1451 *et seq.*, and implementing regulations found at 15 CFR part 930, subpart H. The appeal is taken from an objection by Alabama to Theodore Industrial Port's consistency certification for a U.S. Army Corps of Engineers permit for a proposed port enhancement project at the Theodore Industrial Port in Theodore, Alabama. The specific activity sought to be permitted involves the filling of a tidal pond.

Under the CZMA, the Secretary may override Alabama's objection on grounds that the project is consistent with the objectives or purposes of the CZMA or otherwise necessary in the interest of national security. To make the determination that the proposed activity is "consistent with the objectives or purposes of the CZMA," the Department must find that: (1) The proposed activity furthers the national interest as articulated in sections 302 or 303 of the CZMA, in a significant or substantial manner; (2) the adverse effects of the proposed activity do not outweigh its contribution to the national interest, when those effects are
