Sagebrush, a California Partnership; Notice of Filing

December 22, 2009.

Take notice that on December 7, 2009, pursuant to sections 210, 211 and 212 of the Federal Power Act, Sagebrush, a California Partnership (Sagebrush) filed a proposed open access transmission tariff (OATT) to govern the terms of new interconnection and transmission service on Sagebrush's existing transmission line (Line). Due to its unique jurisdictional status and to reflect the unique nature of the Line, Sagebrush states that the proposed OATT deviates from the Commission's *pro forma* OATT in several respects.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
