## SECURITIES AND EXCHANGE COMMISSION

Release No. 34-61216; File No. SR-DTC-2009-16]

### Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change Regarding the Depository Trust Company's Board of Directors Election Process

December 22, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> notice is hereby given that on December 16, 2009, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared primarily by DTC. The Commission is publishing this notice and order to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

DTC's parent company, The Depository Trust & Clearing Corporation ("DTCC") intends in the future to consider nominating for election, to its Board of Directors candidates that are not participants of its clearing agency subsidiaries ("non-participant candidates").<sup>2</sup> Because certain of DTCC's organizational documents mandate that the directors of DTCC

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> DTCC's clearing corporation subsidiary participants include The Depository Trust Company, National Securities Clearing Corporation, and Fixed Income Clearing Corporation.

shall be the same as the directors of DTC, in the future DTC's Board of Directors ("DTC Board") may include directors who are not employees of its participants ("non-participant directors").

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.<sup>3</sup>

##### (A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

DTCC has in the past nominated for election to its Board of Directors employees of its clearing corporation subsidiaries' participants. In the future, DTCC intends to consider nominating for election to its Board of Directors people who are not employees of its clearing corporation subsidiaries' ("non-participant candidates"). Because certain of DTCC's organizational documents mandate that the directors of DTCC shall be the same as the directors of DTC, in the future DTC's Board may include directors who are not employees of its clearing corporation subsidiaries' ("non-participant directors"). DTC believes that non-participant directors may bring additional skills and expertise and introduce different perspectives to the Board. This change will conform DTC's Board of Directors election process to those of DTCC's other clearing corporation subsidiaries—National Securities Clearing Corporation and Fixed Income Clearing Corporation.

DTC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act and the rules and regulations thereunder applicable to DTC because DTC's rules will continue to provide for a fair representation of its participants in the selection of its directors and in the administration of its affairs.

<sup>3</sup> The Commission has modified parts of these statements.
