**SUPPLEMENTARY INFORMATION:** Pursuant to 10 CFR 2.106, the U.S. Nuclear Regulatory Commission (NRC) is providing notice of NRC consent to the indirect change of control and issuance of license amendment 15 to Source Materials License No. SUA-1341. This license authorizes Cogema Mining, Inc., to possess uranium and 11.e (2) byproduct material at its Irigaray and Christensen Ranch in situ recovery (ISR) facilities in Johnson and Campbell Counties, Wyoming. The facilities are currently in operating status, but are not producing uranium at this time.

By letter dated September 18, 2009, and supplemental information dated October 23, 2009, November 18, 2009,

and December 3, 2009, Cogema and Uranium One Exploration U.S.A., Inc., submitted an application to the NRC requesting approval of the change of control of Source Materials License SUA-1341 and the Irigaray and Christensen Ranch facilities. The change of control involves a share purchase agreement whereby all shares in Cogema—a subsidiary of Cogema Resources, Inc., which in turn is a subsidiary of Areva, NC (both of which are Delaware corporations)—will be acquired by Uranium One Exploration U.S.A., which is also a Delaware corporation. Uranium One Exploration U.S.A., is a subsidiary of Uranium One Americas, Inc. (a Nevada corporation). Uranium One Americas is a subsidiary of Uranium One Investments, which, in turn, is a subsidiary of Uranium One, Inc. (both of which are Canadian companies).

NRC's receipt of the request to take this licensing action was previously noticed in the **Federal Register** on October 30, 2009 (74 FR 56241), with a notice of an opportunity to request a

hearing by November 19, 2009. No requests for a hearing were received.

By Order dated December 17, 2009, NRC approved the indirect transfer. The order was accompanied by a Safety Evaluation Report (SER) documenting the basis for the NRC staff's approval and a license amendment. These actions comply with the standards and requirements of the Atomic Energy Act of 1954, as amended, and NRC's rules and regulations.

**FOR FURTHER INFORMATION CONTACT:** In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," the details with respect to this action, including the SER and accompanying documentation, and license amendment, are available electronically at the NRC's Electronic Reading Room at <http://www.nrc.gov/reading-rm/adams.html>. **OFFICE OF PERSONNEL MANAGEMENT**

[OMB Control No. 3206-0226, Form RI 38-128]

**Proposed Collection; Comment Request for Review of a Revised Information Collection**

**AGENCY:** Office of Personnel Management.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget (OMB) a request for review of a revised information collection. "It's Time to Sign Up for Direct Deposit" (OMB Control No. 3206-0226; Form RI 38-128), is primarily used by OPM to give recent retirees the opportunity to waive Direct Deposit of their annuity payments. The form is sent only if the separating agency did not give the retiring employee this election opportunity. This form may also be used to enroll in Direct Deposit, which was its primary use before Public Law 104-134 was passed. This law requires OPM to make all annuity payments by Direct Deposit unless the payee has waived the service in writing.

Comments are particularly invited on: whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

We estimate 20,000 forms are completed annually. The form takes approximately 30 minutes to complete. The annual estimated burden is 10,000 hours.

For copies of this proposal, contact Cyrus S. Benson on (202) 606-4808, FAX (202) 606-0910 or via e-mail to [Cyrus.Benson@opm.gov](mailto:Cyrus.Benson@opm.gov). Please include a mailing address with your request.

**DATES:** Comments on this proposal should be received within 60 calendar days from the date of this publication.
