SUPPLEMENTARY INFORMATION:

- I. Background
- II. Notice of Filing
- III. Ordering Paragraphs

I. Background

On December 23, 2009, the Postal Service filed a notice announcing that it has entered into an additional Global Direct Contracts 1 agreement.¹ Global Direct Contracts 1 provide a rate for mail acceptance within the United States and transportation to a receiving country, with the addition by the customer of appropriate foreign indicia, and payment by the Postal Service of the appropriate settlement charges to the receiving country. The Postal Service believes the instant agreement is functionally equivalent to previously submitted Global Direct Contracts 1 agreements, and supported by the Governors' Decision filed in Docket No. MC2008-7.² The Postal Service contends that the instant agreement should be included within the Global Direct Contracts 1 product. *Id.* at 2.

The instant contract. The Postal Service filed the instant agreement pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the agreement is in accordance with PRC Order No. 153.³ *Id.* It submitted the

contract and supporting material under seal, and attached the following:

1. Attachment 1—a redacted copy of the contract;
2. Attachment 2—a certified statement required by 39 CFR 3015.5(c)(2);
3. Attachment 3—an application for non-public treatment of materials to maintain the contract and supporting documents under seal; and
4. Attachment 4—a redacted copy of Governors' Decision No. 08-10, which establishes prices and classifications for Global Direct, Global Bulk Economy, and Global Plus Contracts.

The Postal Service will notify the customer of the effective date of the contract, which is the immediate successor of the Global Direct contract at issue in Docket No. CP2009-18, within 30 days after receiving all regulatory approvals.⁴ Notice at 2-3. To that end, the Postal Service also explains that a redacted version of the supporting financial documentation is included with this filing as a separate Excel file. *Id.* at 2.

The Notice identifies the instant agreement as fitting within the Mail Classification Schedule language for Global Direct Contracts, and indicates that this agreement is set to replace the one expiring soon.⁵ The Notice also provides the Postal Service's rationale for concluding that the instant contract is functionally equivalent to the concurrently proposed new baseline contract filed in Docket Nos. CP2010-17 and CP2010-18. *Id.* The Postal Service submits that the instant contract and the proposed new baseline contract share similar cost and market characteristics with only a minor difference while the "core terms and conditions remain the same." *Id.* Unlike the proposed new baseline contract, the present contract "allows the customer to tender items that meet the requirements for Canada Post's domestic Ad Mail service, in addition to the types of Canada Post items covered by the contract in Docket Nos. MC2010-17 and CP2010-18." *Id.* This kind of distinction, it adds, has not precluded functionally equivalent treatment in the past. *Id.* at 3, n.6, citing PRC Order No. 166. Thus, it concludes

that "this contract should be added to the existing Global Direct Contracts 1 product." *Id.* at 4.

II. Notice of Filing

The Commission establishes Docket No. CP2010-19 for consideration of matters related to the agreement identified in the Postal Service's Notice.

Interested persons may submit comments on whether the Postal Service's agreement is consistent with the policies of 39 U.S.C. 3632, 3633, or 3642. Comments are due no later than January 6, 2010. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Jeremy Simmons to serve as Public Representative in the captioned filing.
