Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for completion of the preliminary results of the new shipper review of certain frozen warmwater shrimp ("shrimp") from the Socialist Republic of Vietnam ("Vietnam"). This review covers the period April 1, 2008 through January 1, 2009.

DATES: Effective Date: January 6, 2010.

FOR FURTHER INFORMATION CONTACT: Toni Dach or Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–1655 or (202) 482–0413, respectively.

Background

Statutory Time Limits

In antidumping duty new shipper reviews, section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(ii)(1) requires the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results within 90 days after the date on which the preliminary results are issued. However, the Department may extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. See 19 CFR 351.214(ii)(2).

Extension of Time Limit for Preliminary Results of Review

The Department has determined that the review is extraordinarily complicated as the Department must analyze numerous supplemental questionnaires and information gathered at verification. Based on the timing of the case and the additional information that must be analyzed, the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days.

Therefore, the Department is extending the time limit for completion of the preliminary results of this new shipper review by an additional 14 days from the December 31, 2009, deadline. The preliminary results will now be due no later than January 14, 2009. The final results continue to be due 90 days after the issuance of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Susan Kuhbach,
Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

review covers one respondent, Peer Bearing Company—Changshan (‘‘CPZ’’). We invited interested parties to comment on our Preliminary Results. Based on our analysis of the comments received, we made certain changes to our margin calculation for CPZ. The final dumping margin for this review is listed in the ‘‘Final Results Margins’’ section below.

DATES: Effective Date: January 6, 2010.

FOR FURTHER INFORMATION CONTACT: Frances Veith or Brendan Quinn, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–4295 and (202) 482–5848, respectively.

Background

On July 08, 2009, the Department published its Preliminary Results in the antidumping duty administrative review of tapered roller bearings and parts thereof, finished and unfinished (‘‘TRBs’’), from the People’s Republic of China (‘‘PRC’’). We received comments from the Timken Company (‘‘Petitioner’’) and CPZ. CPZ submitted its case brief and rebuttal brief on August 12 and August 19, 2009, respectively. Petitioner submitted its case brief and rebuttal brief on August 11, and August 20, 2009, respectively. On August 11, 2009, Petitioner submitted a request for a formal hearing regarding issues raised in its case and rebuttal brief, and submitted a letter withdrawing the request for a hearing on August 21, 2009. On October 15, 2009, the Department extended the deadline for the final results of review to December 5, 2009. See Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People’s Republic of China: Extension of Time Limit for the Final Results of the 2007–2008 Administrative Review of the Antidumping Duty Order, 74 FR 52948 (October 15, 2009). On December 8, 2009, the Department again extended the deadline for the final results of review to December 26, 2009. However, since December 26, 2009, falls on a Saturday, a non-business day, the deadline for the final results is December 28, 2009, the next business day. See Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People’s Republic of China; Extension of Time Limit for the Final Results of the 2007–2008 Administrative Review of the Antidumping Duty Order, 74 FR 64663 (December 8, 2009).

Analysis of Comments Received

All issues raised in the case and rebuttal briefs filed by parties in this review are addressed in the Memorandum from John M. Anderson, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Deputy Assistant Secretary for Import Administration, regarding, Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People’s Republic of China: Issues and Decision Memorandum for the Final Results of the 2007–2008 Administrative Review, dated December 28, 2009 (‘‘Issues and Decision Memorandum’’), which is hereby adopted by this notice. A list of the issues that parties raised and to which we responded in the Issues and Decision Memorandum follows as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file in the Central Records Unit (‘‘CRU’’), Main Commerce Building, Room 1117, and is also accessible on the Web at http://ia.ita.doc.gov/frn. The paper copy and electronic version of the Issues and Decision Memorandum are identical in content.

Period of Review

The POR is June 1, 2007, through May 31, 2008.

Scope of the Order

Imports covered by this order are shipments of tapered roller bearings and parts thereof, finished and unfinished, from the PRC: flange, take up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. These products are currently classifiable under Harmonized Tariff Schedule of the United States (‘‘HTSUS’’) item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.99.80.15 and 8708.99.80.90. Although the HTSUS item numbers are currently classifiable under Harmonized Tariff Schedule of the United States (‘‘HTSUS’’) item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.99.80.15 and 8708.99.80.90, these products are currently classifiable under Harmonized Tariff Schedule of the United States (‘‘HTSUS’’) item numbers 8482.20.00, 8482.91.00.50, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.99.80.15 and 8708.99.80.90. Where appropriate, we calculated an ad valorem rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total entered values associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting ad valorem rate against the entered customs values for the subject merchandise. Where appropriate, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting per-unit rate against the entered quantity of the subject merchandise. Where an importer (or customer)-specific assessment rate is de minimis (i.e., less than 0.50 percent), the Department will instruct CBP to assess that importer (or customer’s)
entries of subject merchandise without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2). We intend to instruct CBP to liquidate entries containing subject merchandise exported by the PRC-wide entity at the PRC-wide rate we determine in the final results of this review. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For CPZ, the cash deposit rate will be 24.62 percent, as listed above; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 92.84 percent; and 4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. The deposit requirements shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification to Interested Parties**

This notice also serves as a reminder to parties subject to administrative protective orders (“APOs”) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

**Disclosure**

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

We are issuing and publishing the final results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

DATED: December 28, 2009.

Ronald K. Lorenzen,
Deputy Assistant Secretary for Import Administration.

Certain New Pneumatic Off-the-Road Tires From the People’s Republic of China: Partial Rescission of Countervailing Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is rescinding, in part, the administrative review of the countervailing duty order on Certain New Pneumatic Off-the-Road Tires (OTR Tires) from the People’s Republic of China (PRC) for the period December 17, 2007 through December 31, 2008, with respect to the following six companies:

1. Aeolus Tyre Co. Ltd. (Aeolus)
2. Guizhou Tiro Co. Ltd. (GTC)
3. Jiangsu Feichi Co., Ltd. (Feichi)
4. Shandong Huitong Tyre Co., Ltd. (Huitong)
5. Tianjin Wanda Tyre Co., Ltd. (Wanda)
6. Triangle Tyre Co., Ltd. (Triangle).

This partial rescission is based on GPX International Tire Corporation’s (GPX) withdrawal of its request for a review.

**DATES:** Effective Date: January 6, 2010.

**FOR FURTHER INFORMATION CONTACT:** Andrew Huston, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–4261.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department published a notice of opportunity to request an administrative review of the countervailing duty order on OTR Tires from the PRC. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review, 74 FR 45179 (September 1, 2009). GPX timely requested an administrative review of the countervailing duty order on OTR Tires from the PRC for the period December 17, 2007 through December 31, 2008.

In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.221(c)(1)(i), the Department published a notice initiating an administrative review of the countervailing duty order. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 74 FR 54056 (October 26, 2009).

**Rescission, in Part, of Countervailing Duty Administrative Review**

The Department’s regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation. See 19 CFR 351.213(d)(1). GPX, the only party to request a review of Aeolus, GTC, Feichi, Huitong, Wanda and Triangle, timely withdrew its request for a review within the 90-day deadline. Therefore, in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this administrative review of the countervailing duty order with respect to these six companies. This administrative review will continue with respect to Hebei Starbright Tire Co., Ltd., Hangzhou Zhongce Rubber Co., Ltd. and Tianjin United Tire & Rubber International Co.

**Assessment**

The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. For Aeolus, GTC,
