

capacity of Special Government Employees. Members do not receive compensation or reimbursement for travel or for per diem expenses. Members may not be federally registered lobbyists. Previously, the charter allowed CSMAC to have up to 20 members. The renewed charter, effective April 6, 2009, allows up to 25 members to serve on the CSMAC.

On May 6, 2009, NTIA published a Notice in the **Federal Register** seeking additional persons interested in appointment, with applications due June 1, 2009 (the May Notice), 74 Fed. Reg. 20922 (May 6, 2009), available at <http://www.ntia.doc.gov/frnotices/2009/CSMACCallForApplicationsMay609.pdf>. In November 2009, the Secretary appointed three new members from among those applications, bringing the current membership to 22 members.

NTIA intends to recommend that the Secretary appoint up to three additional members. The Federal Advisory Committee Act (5 USC App. 2) and CSMAC's charter require that the committee be fairly balanced in terms of the points of view represented by the members and the functions to be performed. This Notice reopens the application period in order to identify additional candidates who may provide such balance, as well as diversity, to the committee. Any applicant who provided NTIA with the requested materials in response to the May Notice will be considered for appointment and need not resubmit materials, although they are permitted to supplement their applications with new or additional information.

The evaluation criteria for selecting members contained in the May Notice shall continue to apply. However, members may not be federally registered lobbyists.

Applicants should submit their resumes or *curriculum vitae* and a statement that summarizes the applicant's qualifications and experience. The statement should identify any particular expertise or area of interest relevant to the CSMAC's work. This will aid in the assessment of whether the applicant's qualifications and experience will contribute to the balance of points of view represented on the committee.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the preliminary results of the new shipper review of certain frozen warmwater shrimp ("shrimp") from the Socialist Republic of Vietnam ("Vietnam"). This review covers the period February 1, 2008 through January 31, 2009.

DATES: Effective Date: January 6, 2010.

FOR FURTHER INFORMATION CONTACT: Toni Dach or Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1655 or (202) 482-0413, respectively.

Background

On March 27, 2009, the Department published a notice of initiation of the new shipper review in the antidumping duty order on shrimp from Vietnam for Nhat Duc Co., Ltd. *See Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Initiation of Antidumping Duty New Shipper Review*, 74 FR 13416 (March 27, 2009). On September 15, 2009, the Department extended the time limit for issuing the preliminary results of the new shipper review by 106 days. *See Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Extension of Preliminary Results of Antidumping Duty New Shipper Review*, 74 FR 47190 (September 15, 2009). The preliminary results of this review are currently due no later than December 31, 2009.

Statutory Time Limits

In antidumping duty new shipper reviews, section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) requires the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results within 90 days after the date on which the preliminary results are issued. However, the Department

may extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214(i)(2).

Extension of Time Limit for Preliminary Results of Review

The Department has determined that the review is extraordinarily complicated as the Department must analyze numerous supplemental questionnaires and information gathered at verification. Based on the timing of the case and the additional information that must be analyzed, the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days.

Therefore, the Department is extending the time limit for completion of the preliminary results of this new shipper review by an additional 14 days from the December 31, 2009, deadline. The preliminary results will now be due no later than January 14, 2009. The final results continue to be due 90 days after the issuance of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: December 29, 2009.

Susan Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
