Defense Federal Acquisition Regulation Supplement; Lead System Integrators

**AGENCY:** Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD has adopted as final, without change, an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement Section 802 of the National Defense Authorization Act for Fiscal Year 2008. Section 802 places limitations on the award of new contracts for lead system integrator functions in the acquisition of major DoD systems.

**DATES:** Effective Date: January 20, 2010.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

DoD published an interim rule at 73 FR 1823 on January 10, 2008, to implement Section 802 of the National
Defense Authorization Act for Fiscal Year 2007 (Pub. L. 109–364) with regard to limitations on the performance of lead system integrator functions by DoD contractors. On January 28, 2008, Section 802 of the National Defense Authorization Act for Fiscal Year 2008 (Pub. L. 110–181) placed additional limitations on DoD’s use of lead system integrators. A second interim rule was published on July 15, 2009, amending the first interim rule. One comment was received after the comment period closed. The comment concerned the definitions of lead system integrator with system responsibility and lead system integrator without system responsibility. The comment was addressed in the interim rule published on July 15, 2009.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD certifies that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because application of the rule is limited to contractors performing lead system integrator functions for major DoD systems.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed changes do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

Defence Federal Acquisition Regulation Supplement; Trade Agreements—Costa Rica and Peru (DFARS Case 2008–D046)
AGENCY: Defence Acquisition Regulations System, Department of Defense (DoD).
ACTION: Final rule.

SUMMARY: DoD is converting the interim rule issued on July 29, 2009 (74 FR 37650) to a final rule without change. The interim rule amended the Defense Federal Acquisition Regulation Supplement (DFARS) to implement the Dominican Republic—Central America—United States Free Trade Agreement with respect to Costa Rica, and the United States–Peru Trade Promotion Agreement. The trade agreements waive the applicability of the Buy American Act for some foreign supplies and construction materials and specify procurement procedures designed to ensure fairness.

DATES: Effective date: January 20, 2010.

SUPPLEMENTARY INFORMATION:

A. Background

This finalizes, without change, the interim rule that implemented the Dominican Republic—Central America—United States Free Trade Agreement with respect to Costa Rica and the United States–Peru Trade Promotion Agreement. The trade agreements waive the applicability of the Buy American Act for DoD acquisitions of some foreign supplies and construction materials from Costa Rica and Peru and specify procurement procedures designed to ensure fairness.

In addition, the interim rule amended DFARS 225.003 to exclude Oman from the definition of “Free Trade Agreement country” for purposes of DoD acquisitions.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.
