Designation of Haiti for Temporary Protected Status

AGENCY: U.S. Citizenship and Immigration Services, DHS.

ACTION: Notice.

SUMMARY: The Department of Homeland Security announces that the Secretary of Homeland Security (Secretary) has designated Haiti for temporary protected status (TPS) for a period of 18 months. Under section 244(b)(1) of the Immigration and Nationality Act, the Secretary is authorized to designate a foreign state for TPS or parts of such state upon finding that such state is experiencing ongoing armed conflict, an environmental disaster, or "extraordinary and temporary conditions." The Secretary may grant TPS to individual nationals of the designated foreign state (or to eligible aliens having no nationality who last habitually resided in such state) who have been both continuously physically present in the United States since the effective date of the designation and continually residing in the United States since a date determined by the Secretary, and who meet other eligibility criteria. TPS is available only to persons who were continuously physically present in the United States as of the effective date of the designation.

Under this designation, Haitian nationals (and aliens having no nationality who last habitually resided in Haiti) who have continuously resided in the United States since January 12, 2010, and who remain in continual physical presence in the United States from the effective date of the notice, may apply for TPS within the 180-day registration period that begins on the date of publication of the notice. These nationals also may apply for employment authorization documents and for permission to depart from and return to the United States.

This notice also sets forth procedures necessary for nationals of Haiti (or aliens having no nationality who last habitually resided in Haiti) to register and to apply for TPS and employment authorization documents with U.S. Citizenship and Immigration Services.

DATES: This designation of Haiti for TPS is effective on January 21, 2010, and will remain in effect through July 22, 2011. The 180-day registration period for eligible individuals to submit their TPS applications begins January 21, 2010, and will remain in effect until July 20, 2010.
