Nonprofit organizations applying for SEARCH grants must submit an application which includes an application form, various other forms, certifications, and supplemental information. RUS will use the information collected from applicants, borrowers, and consultants to determine applicant eligibility, project feasibility, and the applicant's ability to meet the grant and regulatory requirements. Failure to collect proper information could result in improper determinations of eligibility, improper use of funds, or hindrances in making grants authorized by the SEARCH program.

The applicant will submit the following information:

SF-424, "Application for Federal Assistance." (cleared under 4040-0004)

Applicants use this form as a required cover sheet for applications submitted for SEARCH grants. The application is an official form required for all Federal grants and requests basic information about the applicant and the proposed project.

SF-424A, "Budget Information—Non-Construction Programs." (cleared under 4040-0006)

Applicants project costs and expenses for the grant project. The form also provides information on matching funds. This form is submitted as part of the pre-application and if the project is selected, as part of the formal application.

SF-424B, "Assurances—Non-Construction Programs." (cleared under 4040-0007)

Applicants read and sign this form to indicate the organization's intent to comply with the laws, regulations, and policies to which a grant is subject.

Project Narrative

Applicants will provide a project narrative detailing the project to be financed with the SEARCH grant funds. The narrative will also provide details on the activities or tasks to be accomplished, objectives, timetables for task completion, and anticipated results.

RD 400-1, "Equal Opportunity Agreement" and RD 400-4, "Assurance Agreement." (cleared under 0575-0018)

Applicants read and sign these forms to assure RUS that they agree to and will comply with Title VI of the Civil Rights Act of 1964, and the Equal Opportunity Clause under Executive Order 11246 of September 24, 1965.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

USDA regulations published at 7 CFR Part 3017 implement the government-wide debarment and suspension system for USDA's non-procurement transactions. Applicants for SEARCH grants are required to provide certification under these regulations. Form AD-1047 may also be used to obtain the required certification.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Transaction

Form AD-1048 will be signed by applicant's suppliers, auditors, contractors, etc., and retained by applicant in their files.

Certification Regarding Drug-Free Workplace Requirements (Grants) Alternative I—for Grantees Other Than Individuals

USDA regulations published at 7 CFR Part 3017 implement the Drug-Free Workplace Act of 1988, which requires that grant recipients agree that they will maintain a drug-free workplace. Applicants are required to provide certification under these regulations. Form AD-1049 may also be used to obtain the required certification.

Relationship or Association With RUS Employees

Applicants must identify and report any known relationship or association with a RUS employee such as close personal association, immediate family, close relatives, or business associates.

Supporting Documentation

Applicants must provide documentation of legal organization and authority to borrow funds, construct, operate, manage the facility, etc. The documentation may include articles of incorporation, certificate of incorporation and good standing, bylaws, rules, and organizational minutes. Applicants also must provide financial information such as financial statements, audits, or existing debt instruments. This information is necessary for RUS to determine an organization's legal existence, authority to perform certain functions, and financial capacity to borrow funds.

Agreements for Professional Services

Applicants must contract for the professional services rendered from an engineer, attorney, bond counsel, accountant, auditor, appraiser, or financial advisor. Contracts or other forms of agreement for services necessary for project planning and development are subject to RUS concurrence. Applicants must submit them to RUS for review and concurrence to ensure the needed services will be available at a reasonable cost.

Grant Agreement

The Grant Agreement sets forth the terms and conditions under which the applicant receives a RUS grant. Applicants and RUS must execute the document before RUS disburses grant funds.

Audits Based on Federal Assistance

Borrowers must submit audited financial statements annually in accordance with Generally Accepted Government Auditing Standards (GAGAS). The audit must comply with the requirements of OMB Circular A-133, "Audits of State, Local Governments, and Non-Profit Organizations" or Water and Waste Disposal audit requirements.

The requirements for submitting an audit report under OMB Circular A-133 are based on the total amount of Federal financial assistance expended during a borrower's fiscal year from all Federal sources. Borrowers that expend \$500,000 or more in a year in Federal awards must have a single audit conducted for that year under OMB

Circular A-133. Those that expend less than \$500,000 in Federal awards and have an outstanding RUS loan balance equal to or greater than \$1,000,000 must submit an audit in accordance with Water and Waste Disposal audit requirements. Borrowers expending less than \$500,000 in Federal assistance and having a RUS loan balance less than \$1,000,000 may submit a management report instead of an audit report. RUS will designate the type of audit borrowers must submit.

Management Reports

All borrowers must furnish management reports that will provide management a means of evaluating prior decisions and serve as a basis for planning future operations and financial strategies. This requirement is necessary to help assure that the facility will be properly managed and to protect the financial interest of the Government.

Form RD 1942-8, "Resolution of Members or Stockholders" (cleared under 0575-0015)

Nonprofit applicants prepare this form to indicate that the governing body has the authority to enter into a grant of a particular amount with RUS.

Form RD 442-7, "Operating Budget" (cleared under 0575-0015)

All applicants use the form to project income and expense items and a complete cash flow through the first full year of operations after they use the loan proceeds. These projections are necessary in determining the source and reliability of the projected income and the adequacy of resources to repay the loan in a timely manner, operate and maintain the facility, and maintain adequate reserves.

Comments on this information collection must be received by March 23, 2010.

Comments are invited on (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumption used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques on other forms and information technology.

The amendment created a grant program to make Special Evaluation Assistance for Rural Communities and Households (SEARCH) Program grants.

Under the SEARCH program, the Secretary may make predevelopment and planning grants to public or quasi-public agencies, organizations operated on a not-for-profit basis or Indian tribes on Federal and State reservations and other federally recognized Indian tribes. Estimated Number of Respondents: 50.

Estimated Number of Total Annual Responses per Respondents: 820.

Estimated Total Annual Burden on Respondents: 1,050.

Copies of this information collection can be obtained from MaryPat Daskal, Program Development and Regulatory Analysis at (202) 720-7853.

All responses to this information collection and recordkeeping notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

E-Government Act Compliance

Rural Development is committed to the E-Government Act, which requires Government agencies in general to provide the public the option of submitting information or transacting business electronically to the maximum extent possible.

National Environmental Policy Act Certification

The Administrator of RUS has determined that this proposed rule will not significantly affect the quality of the human environment as defined by the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*). Therefore, this action does not require an environmental impact statement or assessment.

Catalog of Federal Domestic Assistance

The program described by this proposed rule is listed in the Catalog of Federal Domestic Assistance Programs under number 10.759—Special Evaluation Assistance for Rural Communities and Households Program (SEARCH). This catalog is available on a subscription basis from the Superintendent of Documents, the United States Government Printing Office, Washington, DC 20402-9325, telephone number (202) 512-1800 and at <https://www.cfda.gov>.

Executive Order 12372

This program is not subject to the requirements of Executive Order 12372, "Intergovernmental Review of Federal Programs," as implemented under USDA's regulations at 7 CFR part 3015.

Unfunded Mandates

This proposed rule contains no Federal mandates (under the regulatory provision of title II of the Unfunded Mandates Reform Act of 1995) for State, local, and tribal governments or the private sector. Therefore, this proposed rule is not subject to the requirements of section 202 and 205 of the Unfunded Mandates Reform Act.

Executive Order 13132, Federalism

The policies contained in this proposed rule do not have any substantial direct effect on states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. Nor does this proposed rule impose substantial direct compliance costs on state and local governments. Therefore, consultation with states is not required.

Background

The Food, Conservation and Energy Act of 2008, Public Law 110-246 (Farm Bill) amended Section 306(a)(2) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1926(a)(2)). The amendment added a grant program to make Special Evaluation Assistance for Rural Communities and Households (SEARCH) Program grants. SEARCH grants are intended to assist the neediest, eligible communities that lack financial resources to pay for feasibility studies, design assistance and technical assistance associated with water and waste infrastructure needs.

Under the SEARCH program, the Secretary may make predevelopment and planning grants to public or quasi-public agencies, organizations operated on a not-for-profit basis or Indian tribes

on Federal and State reservations and other federally recognized Indian tribes. Up to 100 percent of the eligible cost of the grant may be funded and may not exceed \$30,000. The grant recipients shall use the grant funds for feasibility studies, design assistance, and development of an application for financial assistance to financially distressed communities in rural areas with populations of 2,500 or fewer inhabitants for water and waste disposal projects as authorized in Sections 306(a)(1), 306(a)(2) and 306(a)(24) of the Consolidated Farm and Rural Development Act (CONACT).

Eligible entities for the SEARCH grants will be the same entities eligible to obtain a loan, grant, or loan guarantee from the Rural Utilities Service Water and Waste Disposal and Wastewater loan and grant programs. However, as applied to the SEARCH program, rural area has been defined as one with a population of 2,500 or less. The Agency will define financially distressed areas as those where the median household income of the areas to be served is either below the poverty line or below 80 percent of the statewide non-metropolitan median household income.

The Secretary may use not more than four percent of the total amount of funds made available for a fiscal year for water and waste disposal to carry out the SEARCH program.

The Administrator of the RUS is required to prescribe regulations to implement the provisions of Section 6002 of the Farm Bill and does so through the proposed regulations herein. In developing the proposed SEARCH program regulations, the Agency relied heavily on existing Rural Development regulations relative to water and waste disposal loans and grants.

FARM CREDIT ADMINISTRATION

12 CFR Part 652

RIN 3052-AC51

Federal Agricultural Mortgage Corporation Funding and Fiscal Affairs; Risk-Based Capital Requirements

AGENCY: Farm Credit Administration.

ACTION: Proposed rule.

SUMMARY: The Farm Credit Administration (FCA, Agency, us, or we) proposes to amend our regulations on the Risk-Based Capital Stress Test (RBCST or model) used by the Federal Agricultural Mortgage Corporation (Farmer Mac or the Corporation). We propose to update the model to address recent additions to Farmer Mac's program authorities, specifically the authority for Farmer Mac to finance rural utility loans. We are also proposing to revise the existing treatment of risk mitigations of general obligations for the AgVantage Plus program and related structures, as established in Version 3.0 of the model. Finally, we propose revising the treatment of counterparty risk on non-program investments in the model by adjusting the haircuts applied to those investments to keep the model consistent with statutory requirements for calculating Farmer Mac's regulatory minimum capital level.
