A parent of a deceased, fully insured worker may be entitled to Title II benefits on the earnings record of the deceased worker under certain conditions. One of the conditions is the parent must have received at least one-half support from the deceased worker. The one-half support requirement also applies to a spouse applicant in determining whether Title II benefits are subject to Government Pension Offset (GPO). SSA uses the information from Form SSA–760–F4 to determine whether the parent of a deceased worker or a spouse applicant meets the one-half support requirement. Respondents are parents of deceased workers or spouses who may be exempt from GPO.

[Docket No. FRA–2010–0003]

Establishment of an Emergency Relief Docket for Calendar Year 2010

AGENCY: Federal Railroad Administration (FRA), DOT.

ACTION: Notice of establishment of public docket.

SUMMARY: This Notice announces the establishment of FRA’s emergency relief docket (ERD) for calendar year 2010. The designated ERD for calendar year 2010 is docket number FRA–2010–0003.

ADDRESS: See SUPPLEMENTARY INFORMATION section for further information regarding submitting petitions and/or comments to Docket No. FRA–2010–0003.

SUPPLEMENTARY INFORMATION: On May 19, 2009, FRA published a direct final rule addressing the establishment of ERDs and the procedures for handling petitions for emergency waivers of safety rules, regulations, or standards during an emergency situation or event. 74 FR 23329. That direct final rule became effective on July 20, 2009 and made minor modifications to § 211.45 to the FRA’s Rules of Practice published at 49 CFR part 211. Paragraph (b) of § 211.45 provides that each calendar year FRA will establish an ERD in the publicly accessible DOT docket system (available on the Internet at http://www.regulations.gov). Paragraph (b) of § 211.45 further provides that FRA will publish a notice in the Federal Register identifying by docket number the ERD for that year. As noted in the rule, FRA’s purpose for establishing the ERD and emergency waiver procedures is to provide an expedited process for FRA to address the needs of the public and the railroad industry during emergency situations or events. This Notice announces that the designated ERD for calendar year 2010 is docket number FRA–2010–0003.

As detailed § 211.45, if the FRA Administrator determines that an emergency event as defined in 49 CFR 211.45(a) has occurred, or that an imminent threat of such an emergency occurring exists, and public safety would benefit from providing the railroad industry with operational relief, the emergency waiver procedures of 49 CFR 211.45 will go into effect. In such an event, the FRA Administrator will issue a statement in the ERD indicating that the emergency waiver procedures are in effect and FRA will make every effort to post the statement on its website http://www.fra.dot.gov/. Any party desiring relief from FRA regulatory requirements as a result of the emergency situation should submit a petition for emergency waiver in accordance with 49 CFR 211.45(e) and (f). Specific instructions for filing petitions for emergency waivers in accordance with 49 CFR 211.45 are found at 49 CFR 211.45(f). Specific instructions for filing comments in response to petitions for emergency waivers are found at 49 CFR 211.45(h).
