4. Section 97.19 is amended by revising paragraphs (c)(2), (c)(3), and (d) introductory paragraph to read as follows:

**§ 97.19 Application for a vanity call sign.**

(c) \* \* \*

(2) A call sign shown on a surrendered, revoked, set aside, canceled (except for license that are canceled pursuant to § 97.21(d), or voided license grant is not available to the vanity call sign system for 2 years following the date such action is taken. (The availability of a call sign shown on a license canceled pursuant to § 97.21(d) is governed by paragraph (c)(3) of this section.)

(i) This 2-year period does not apply to any license grant pursuant to paragraph (c)(3)(i), (ii), or (iii) of this section that is surrendered, canceled, revoked, voided, or set aside because the grantee acknowledged or the Commission determined that the grantee was not eligible for the exception.

(ii) An applicant to whose operator/primary station license grant, or club station license grant for which the applicant is the trustee, the call sign was previously assigned is exempt from this 2-year period.

(3) The call sign shown on a license canceled pursuant to § 97.21(d) is not available to the vanity call sign system for 2 years following the person's death, or for 2 years following the expiration of the license grant, whichever is sooner; except that, when the licensee's death occurs prior to the license expiration date, but the Commission does not cancel the license until on or after the date 30 days before the second anniversary of the licensee's death, the call sign is not available to the vanity call sign system for 30 days following the date such action is taken.

Notwithstanding the foregoing, the call sign shown on a license canceled pursuant to § 97.21(d) is available immediately. This provision does not apply to an applicant:

(i) To whose operator/primary station license grant, or club station license grant for which the applicant is the trustee, the call sign was previously assigned; or

(ii) Who is the spouse, child, grandchild, stepchild, parent, grandparent, step-parent, brother, sister, stepbrother, stepsister, aunt, uncle, niece, nephew, or in-law of the person now deceased or of any other deceased former holder of the call sign; or

(iii) Who is a club station license trustee acting with a written statement of consent signed by either the licensee *ante mortem* but who is now deceased, or by at least one relative as listed above in (ii) of the person now deceased, provided that the deceased licensee was a member of the club.

(d) Except for an applicant whose station had been formerly assigned the call sign requested, the vanity call sign requested by an applicant must be selected from the group of call signs corresponding to the same or lower class of operator license held by the applicant as designated in the sequential call sign system.

5. Section 97.21 is amended by revising the section heading and paragraph (a)(1) and adding new paragraph (d) to read as follows:

**§ 97.21 Application for a modified, renewed, or canceled license grant.**

(a) \* \* \*

(1) Must apply to the FCC for a modification of the license grant as necessary to show the correct mailing address, licensee name, club name, license trustee name, or license custodian name in accordance with § 1.913 of this chapter. For a club, military recreation or RACES station license grant, the application must be presented in document form to a Club Station Call Sign Administrator (CSCSA) who must submit the information thereon to the FCC in an electronic batch file. The CSCSA must retain the collected information for at least 15 months and make it available to the FCC upon request. An application to modify a club station license grant to change the license trustee name must be submitted to a CSCSA by an officer of the club. A CSCSA shall not file with the Commission any application to modify a club station license grant, except to change a club station license trustee, submitted by a person who is not the trustee of record.

\* \* \* \* \*

(d) A person may request cancellation of an operator/primary station license grant on account of the licensee's death by submitting a signed request that includes a death certificate, obituary, or Social Security Death Index (SSDI) data clearly showing that the person named in the operator/primary station license grant has died. Such requests may be submitted as pleadings associated with the license. See § 1.45 of this chapter. In addition, the Commission may cancel an operator/primary station license grant if it becomes aware of the grantee's death through other means. For purposes of this section, when SSDI

data is submitted, it must be based on the Social Security Administration Death Master File current at the time of the request.

**SUPPLEMENTARY INFORMATION:**

## Background

We, the U.S. Fish and Wildlife Service, published a proposed rule in the **Federal Register** on November 20, 2009 (74 FR 60228), to propose migratory bird subsistence harvest regulations in Alaska for the 2010 season. The proposed regulations would enable the continuation of customary and traditional subsistence uses of migratory birds in Alaska and prescribe regional information on when and where the harvesting of birds may occur. These proposed regulations were developed under a co-management process involving the Service, the Alaska Department of Fish and Game, and Alaska Native representatives. The rulemaking is necessary because the regulations governing the subsistence harvest of migratory birds in Alaska are subject to annual review. This rulemaking proposes region-specific regulations that would go into effect on April 2, 2010, and expire on August 31, 2010.

We are extending the public comment period on our proposed rule (*see* **DATES** section) in response to a request for additional time to comment that we received during the initial public comment period. The initial public comment period for the proposed rule ended on January 19, 2010. The revised comment period ends on February 18, 2010. If you submitted comments

previously, then you do not need to resubmit them because we have already incorporated them into the public record and we will fully consider them in preparation of our final determination.

## Public Comments

You may submit your comments and materials concerning this proposed rule by one of the methods listed in the **ADDRESSES** section. We will not accept comments sent by e-mail or fax or to an address not listed in the **ADDRESSES** section. We will not consider hand-delivered comments that we do not receive, or mailed comments that are not postmarked, by the date specified in the **DATES** section.

We will post your entire comment—including your personal identifying information—on <http://www.regulations.gov>. If you provide personal identifying information in your comment, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so.

Comments and materials we receive, as well as supporting documentation we used in preparing this proposed rule, will be available for public inspection on <http://www.regulations.gov>, or by appointment, during normal business hours, at the U.S. Fish and Wildlife

Service, Office of the Alaska Migratory Bird Co-management Council, 1011 E. Tudor Rd., Anchorage, AK 99503, (877) 229-2344.

## Author(s)

The primary authors of this package are the staff members of the Office of the Alaska Migratory Bird Co-Management Council.

## Authority

We derive our authority to issue these regulations from the Migratory Bird Treaty Act of 1918, 16 U.S.C. 712(1), which authorizes the Secretary of the Interior, in accordance with the treaties with Canada, Mexico, Japan, and Russia, to “issue such regulations as may be necessary to assure that the taking of migratory birds and the collection of their eggs, by the indigenous inhabitants of the State of Alaska, shall be permitted for their own nutritional and other essential needs, as determined by the Secretary of the Interior, during seasons established so as to provide for the preservation and maintenance of stocks of migratory birds.”
