

implementation in its network will be completed.

(3) Incumbent LECs may recover their carrier-specific costs directly related to providing long-term number portability by establishing in tariffs filed with the Commission certain number portability charges. See 47 CFR 52.33. Incumbent LECs are required to include many details in their cost support that are unique to the number portability proceeding pursuant to the *Cost Classification Order*. For instance, incumbent LECs must demonstrate that any incremental overhead costs claimed in their cost support are actually new cost incremental to and resulting from the provision of long-term number portability. See the *Cost Classification Order*.

(4) Incumbent LECs are required to maintain records that detail both the nature and specific amount of these carrier-specific costs that are directly related to number portability, and those carrier-specific costs that are not directly related to number portability. The information collected and required by the Commission will be used to comply with Section 251 of the Telecommunications Act of 1996.
