The Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT, invites the public to participate in the rulemaking process for the Pipeline and Hazardous Liquid Pipeline Safety Regulatory Reauthorization Act of 2010 (SHRA-2010). This notice advises owners and operators of gas pipeline facilities and hazardous liquid pipeline facilities that the incident/accident report forms for their pipeline systems were recently revised and should be used for all incidents and accidents occurring on or after January 1, 2010.

**FOR FURTHER INFORMATION CONTACT:**
Jamerson Pender, Information Resources Manager, 202–366–0218 or by e-mail at Jamerson.Pender@dot.gov.

**SUPPLEMENTARY INFORMATION:**

I. Background

The Pipeline and Hazardous Materials Safety Administration (PHMSA) requires that an operator of a covered pipeline facility file a written report concerning the procedures are available for examination during regular business hours (9 a.m.–5 p.m.) at the above facility. All documents in the public docket are also available for inspection and copying on the Internet at the docket facility's Web site at http://www.regulations.gov.

Anyone is able to search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the Federal Register published on April 11, 2000 (Volume 65, Number 70; Pages 19477–78).

Grady C. Cothen, Jr.,
Deputy Associate Administrator for Safety Standards and Program Development.

**ACTION:** Notice; Issuance of Advisory Bulletin.

**SUMMARY:** This notice advises owners and operators of gas pipeline facilities and hazardous liquid pipeline facilities that the incident/accident report forms for their pipeline systems were recently revised and should be used for all incidents and accidents occurring on or after January 1, 2010.

**SHRA-2010**

This notice advises owners and operators of gas pipeline facilities and hazardous liquid pipeline facilities that the incident/accident report forms for their pipeline systems were recently revised and should be used for all incidents and accidents occurring on or after January 1, 2010.

**FOR FURTHER INFORMATION CONTACT:**
Jamerson Pender, Information Resources Manager, 202–366–0218 or by e-mail at Jamerson.Pender@dot.gov.

**SUPPLEMENTARY INFORMATION:**

I. Background

The Pipeline and Hazardous Materials Safety Administration (PHMSA) requires that an operator of a covered pipeline facility file a written report within 30 days of certain adverse events, defined by regulation as either
an incident or accident, 49 CFR 191.1–191.27, 195.48–195.63 (2008). PHMSA further requires that those reports be submitted to the agency on one of three standardized forms: (1) PHMSA Form F 7100.1, Incident Report—Gas Distribution Pipelines, (2) PHMSA Form F 7100.2, Incident Report—Gas Transmission and Gathering Systems, and (3) PHMSA Form F 7000–1—Accident Report for Hazardous Liquid Pipeline Systems. PHMSA uses the information collected from these forms to identify trends in the occurrence of safety-related problems and to appropriately target its performance of risk-based inspections, and to assess the overall efficacy of its regulatory program.

PHMSA published a Federal Register notice on September 4, 2008 (73 FR 51697) inviting public comment on a proposal to revise the incident/accident report forms. PHMSA stated that the proposed revisions were needed to make the information collected more useful to all those concerned with pipeline safety and to provide additional, and in some instances more detailed, data for use in the development and enforcement of its risk-based regulatory program. PHMSA published a subsequent Federal Register notice on October 30, 2008 (73 FR 64661) to extend the comment period to December 12, 2008.

On August 17, 2009, PHMSA published a Federal Register notice (74 FR 41496) to respond to comments, provide the public with an additional 30 days to comment on the proposed revisions to the incident/accident report forms, including the form instructions, and announce that the revised Information Collections would be submitted to the Office of Management and Budget (OMB) for approval. Several comments were received in response to the August 17, 2009, notice. PHMSA reviewed the comments and revised the forms as applicable.

PHMSA has recently received OMB approval to use the newly revised forms that are incorporated under OMB Control No. 2137–0522, “Incident and Annual Reports for Gas Pipeline Operators” and OMB Control No. 2137–0047, “Transportation of Hazardous Liquids by Pipeline: Recordkeeping and Accident Reporting.” The revised forms reflect comments that were received throughout the notice and comment periods. These forms should be used for all incidents/accidents that have occurred on or after January 1, 2010.

**Advisory Bulletin (ADB–2010–01)**

To: Owners and Operators of Gas Pipeline Facilities and Hazardous Liquid Pipeline Facilities.

Advisory: This notice advises owners and operators of gas pipeline facilities and hazardous liquid pipeline facilities that the incident/accident report forms for their pipeline systems were recently revised and should be used for all incidents/accidents occurring on or after January 1, 2010. Until PHMSA completes development of a new electronic online data entry system for the new forms (approximately March 1, 2010) operators should file hard copy forms for incidents/accidents occurring on or after January 1, 2010. Copies of the new forms and instructions are available at http://phmsa.dot.gov/pipeline/library/forms or http://opsweb.phmsa.dot.gov/. Hard copy forms should be submitted to the attention of the Information Resources Manager at the address listed in the instructions. As an alternative, completed forms that include signatures may be submitted to the Information Resources Manager by e-mail to Jamerson.Pender@dot.gov. Any questions regarding this new requirement can be directed to the Office of Pipeline Safety operator helpline at 202–366–8075.

Jeffrey D. Wiese,
Associate Administrator for Pipeline Safety.

**DEPARTMENT OF THE TREASURY**

**Office of the Comptroller of the Currency**

**Agency Information Collection Activities: Proposed Information Collection; Comment Request**

**AGENCY:** Office of the Comptroller of the Currency (OCC), Treasury.

**ACTION:** Notice and request for comment.

**SUMMARY:** The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995. An agency may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless it displays a currently valid OMB control number. The OCC is soliciting comment concerning its information collection titled, “Notice Regarding Unauthorized Access to Customer Information.”

**DATES:** You should submit comments by April 5, 2010.

**ADDRESSES:** Communications Division, Office of the Comptroller of the Currency, Mailstop 2–3, Attention: 1557–0227, 250 E Street, SW., Washington, DC 20219. In addition, comments may be sent by fax to (202) 874–5274 or by electronic mail to regs.comments@occ.treas.gov. You may personally inspect and photocopy the comments at the OCC, 250 E Street, SW., Washington, DC. For security reasons, the OCC requires that visitors make an appointment to inspect comments. You may do so by calling (202) 874–4700. Upon arrival, visitors will be required to present valid government-issued photo identification and to submit to security screening in order to inspect and photocopy comments.

Additionally, you should send a copy of your comments to: OCC Desk Officer, 1557–0227, by mail to U.S. Office of Management and Budget, 725 17th Street, NW., #10235, Washington, DC 20503, or by fax to (202) 395–6974.

**FOR FURTHER INFORMATION CONTACT:** You can request additional information or a copy of the collection from Mary H. Gottlieb, OCC Clearance Officer, (202) 874–5090, Legislative and Regulatory Activities Division, Office of the Comptroller of the Currency, 250 E Street, SW., Washington, DC 20219.

**SUPPLEMENTARY INFORMATION:** The OCC is proposing to extend, without revision, the approval of the following information collection:

**Title:** Notice Regarding Unauthorized Access to Customer Information.

**OMB Control No.:** 1557–0227.

**Description:** Section 501(b) of the Gramm-Leach-Bliley Act (15 U.S.C. 6901) requires the OCC to establish standards for national banks relating to administrative, technical, and physical safeguards to: (1) Insure the security and confidentiality of customer records and information; (2) protect against any anticipated threats or hazards to the security or integrity of such records; and (3) protect against unauthorized access to, or use of, such records or information that could result in substantial harm or inconvenience to any customer.
