Environmental Impact

This final rule does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction; or establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this rule is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket ID FEMA-2010-0003; Internal Agency Docket No. FEMA-8115]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood

insurance has been authorized under the National Flood Insurance Program (NFIP), that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date.

DATES: Effective Dates: The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended on the suspension date or for further information, contact David Stearrett, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-2953.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the NFIP, 42 U.S.C. 4001 *et seq.*; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

In addition, FEMA has identified the Special Flood Hazard Areas (SFHAs) in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year, on FEMA's initial flood insurance map of the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the

Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

44 CFR Part 64

[Docket ID FEMA-2010-0003; Internal Agency Docket No. FEMA-8117]

Suspension of Community Eligibility for Failure To Maintain Adequate Floodplain Management Regulations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: FEMA is suspending one community because of its failure to maintain floodplain management regulations meeting minimum requirements under the National Flood Insurance Program (NFIP). If documentation is received from the community before the effective suspension date, indicating they have brought their floodplain management regulations into compliance with the NFIP requirements, FEMA will withdraw the suspension by publication in the **Federal Register** on a subsequent date.

DATES: Effective Dates: The effective date of the community's scheduled suspension is the date listed in the fourth column of the following table.

FOR FURTHER INFORMATION CONTACT: David Stearrett, Mitigation Directorate, 1800 South Bell Street, Arlington, VA 20598-3072, (202) 646-2953.

SUPPLEMENTARY INFORMATION: The National Flood Insurance Program (NFIP) enables property owners to purchase flood insurance that is generally not otherwise available. In return, communities agree to adopt and implement local floodplain management

regulations that contribute to protecting lives and reducing the risk of property damage from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4022), prohibits flood insurance coverage authorized under the National Flood Insurance Program (42 U.S.C. 4001-4128) unless an appropriate public body adopts adequate floodplain management measures with effective administration and enforcement processes.

The community listed in this notice no longer complies with the NFIP requirements set forth at 44 CFR part 59 *et seq.* Under 44 CFR 59.24(d), a community will be suspended from the NFIP for failing to maintain adequate floodplain management regulations. Accordingly, FEMA is suspending the City of Brentwood, Tennessee, ("the City") on the effective date in the fourth column of the table. As of that date, the purchase of new flood insurance policies or the renewal of existing flood insurance policies under the NFIP will no longer be available.

FEMA will not suspend the City; however, if the community submits the documentation required under 44 CFR 59.24(d) to show that they have corrected the deficiencies in their flood damage prevention ordinance identified in previous letters to the community to the maximum extent possible. This documentation must be received by FEMA before the actual suspension date. If the City successfully demonstrates its compliance with NFIP regulations, FEMA will continue its eligibility for the sale of NFIP insurance. FEMA will then publish in the **Federal Register** a notice withdrawing the suspension of the community. In the interim, if you wish to determine whether FEMA has suspended the City on the suspension date, please contact the FEMA Region IV office at (770) 220-5414. Additional information may also be found at <http://www.fema.gov/plan/prevent/floodplain/nfipkeywords/suspension.shtm>.

FEMA identified the special flood hazard areas (SFHAs) in this community by publishing a Flood Insurance Rate Map. The effective date of this map is indicated in the last column of the table.

By law, no Federally regulated entity may provide financial assistance for acquisition or construction purposes for property located in a SFHA unless the community in which the property is located is participating in the NFIP (42 U.S.C. 4106(a)). The prohibition against certain types of Federal disaster assistance also becomes effective for the City of Brentwood, Tennessee, on the date shown in the fourth column (42 U.S.C. 4106(b)).

The Administrator finds that notice and public comment procedure under 5 U.S.C. 553(b) are impracticable and unnecessary because the communities listed in this final rule have been adequately notified. FEMA addressed these notifications to the Chief Executive Officer of the City of Brentwood indicating that we will suspend the City unless they take the required corrective actions and remedial measures before the effective suspension date. Because we have made these notifications, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the community unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have
