

2. A reservation to the United States for all minerals in the land in accordance with Section 209 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1719).

3. A reservation to the United States for the road right-of-way under 44 L.D. 513 (UTU-25688) and all appurtenances thereto, constructed by the United States through, over, or upon the land so patented, and the right of the United States, its agents or employees, to maintain, operate, repair or improve the same so long as needed or used for or by the United States.

4. The patent will include a notice and indemnification statement under the Comprehensive Environmental Response Compensation and Liability Act. The parcel is subject to the requirements of Section 120(h) (42 U.S.C. Section 9620) holding the United States harmless from any release of hazardous materials that may have occurred as a result of the unauthorized use of the property by other parties. No warranty of any kind, express or implied, is given by the United States as to the title, physical condition or potential uses of the parcel of land proposed for sale.

5. Subject to such rights as Marysvale Town or its successors in interest may have for culinary water system storage tank, pipeline and access road purposes pursuant to right-of-way UTU-83158, including the right to increase the term of the right-of-way to a perpetual term in accordance with 43 CFR 2807.15.

6. Subject to such rights as Bullion Creek Irrigation or its successors in interest may have for roadway, pipeline and ditch purposes pursuant to right-of-way UTU-80707.

7. All valid existing rights.

Detailed information concerning the sale, including the appraisal, planning and environmental documents, and mineral report is available for review at the BLM Richfield Field Office at the address noted above.

On February 10, 2010, the above described land will be segregated from all forms of appropriation under the public land laws, including location and entry under the United States mining laws, except the sale provisions of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1713). The BLM is no longer accepting land use applications affecting the identified public land. The effect of segregation will terminate upon: (1) Issuance of a patent; (2) publication in the **Federal Register** of a termination of the segregation; or (3) on February 10, 2012, unless extended by the BLM State Director in accordance with 43 CFR 2711.1-2(d) prior to the termination

date. Audrey Roth will be allowed 30 days from receipt of a written offer to submit either full payment or at least 20 percent of the appraised value of the parcel and within 180 days, thereafter, submit the balance. If the balance of the purchase price is not received within the 180 days, the deposit will be forfeited to the United States and the parcel withdrawn from sale.

Public Comments: Comments must be received by the Associate Field Manager, BLM Richfield Field Office, at the address noted above, on or before March 29, 2010. Only written comments will be accepted. Before including your address, phone number, e-mail address, or other personal identifying information in your comments, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comments to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Any adverse comments received will be reviewed by the BLM Utah State Director, who may sustain, vacate, or modify this realty action. In the absence of any objections, or adverse comments, this proposed realty action will become the final determination of the Department of the Interior.

Authority: 43 CFR 2711.

Selma Sierra,
State Director.
