

time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requested that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii),¹² which would make the rule change effective and operative upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal is based on a recent Commission-approved proposal submitted by another options exchange¹³ and therefore does not raise any novel regulatory issues. Further, waiving the operative delay will allow the Exchange to commence quoting all series of IWM and SPY in increments of \$0.01 effective February 1, 2010, contemporaneously with other options exchanges. Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61489; File No. SR-CBOE-2010-008]

Self-Regulatory Organizations; Chicago Board Options Exchange, Inc.; Notice of Filing of Proposed Rule Change Relating to Co-location Service Fees

February 4, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 28, 2010, Chicago Board Options Exchange, Inc. ("CBOE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Proposed Rule Change

Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") proposes to amend its Fees Schedule relating to co-location service fees. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

For a monthly fee, the Exchange provides members with cabinet space in CBOE's building for placement of network and server hardware. The fee is

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

¹⁰ 15 U.S.C. 78s(b)(3)(A).

¹¹ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to give the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. CBOE has satisfied this requirement.

¹² 17 CFR 240.19b-4(f)(6)(iii).

¹³ See *supra* note 5.

¹⁴ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁵ 17 CFR 200.30-3(a)(12).

\$10 per month per “U” of shelf space (which is equal to 1.75 inches).³ A member also receives power, cooling, security and assistance with installation and connection of the equipment to the Exchange’s servers, at no additional charge. This “co-location service” provides members with close physical proximity to the Exchange’s electronic trading system, which helps meet their need for high performance processing and low latency.

The co-location service is available to any member that requests the service and pays the monthly fee.⁴ The Exchange believes that for the foreseeable future it has sufficient space to accommodate all members who may request the co-location service. Other than the co-location service, the Exchange does not provide any co-locating member with any advantage over any other co-locating member or any non-co-locating member with respect to access to the Exchange’s trading system. The Exchange’s systems are designed to minimize, to the extent possible, any advantage for one member over another. The foregoing statements apply equally to both inbound and outbound data.

The Exchange proposes to clarify its Fees Schedule relating to co-location fees in a couple of respects. First, the Exchange proposes to move the co-location fees from Section 17 of the Fees Schedule (Hybrid Fees) to Section 8 (Facility Fees) because these fees are more accurately described as facility fees. Second, the Exchange proposes to clarify that the co-location fees are charged in increments of 4 “U” (which is equal to 7 inches) because the cabinet space is available in 4 U increments.

2. Statutory Basis

By clarifying the Exchange’s fees for its co-location service and providing a fuller description of the service, the Exchange believes the proposed rule change is consistent with Section 6(b) of

the Securities Exchange Act of 1934,⁵ in general, and furthers the objectives of Section 6(b)(4)⁶ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. In addition, the Exchange believes the proposed rule change furthers the objectives of Section 6(b)(5)⁷ of the Act in that it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve such proposed rule change, or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments
