Abstract: The Higher Education Opportunity Act of 2008 (HEOA) amended Title III, Part A of the Higher Education Act to include Section 318—The Predominantly Black Institutions (PBI) Program. Unlike the previous PBI Program (authorized by the College Cost Reduction and Access Act of 2007), which was competitive and focused on programs in the science, technology, engineering and mathematics (STEM) fields, the PBI program authorized under the HEOA is an institutional aid program and grants are based on a formula rather than being competitive. All institutions who qualify as PBIs and submit the required materials will receive a portion of the total appropriation based on a formula. The PBI Program makes grant awards to eligible colleges and universities to plan, develop, undertake and implement programs to enhance the institution's capacity to serve more low- and middle-income Black American

students; to expand higher education opportunities for eligible students by encouraging college preparation and student persistence in secondary school and postsecondary education; and to strengthen the financial ability of the institution to serve the academic needs of these students. Allowable activities are numerous and include academic instruction, teacher education, faculty development, equipment purchase, construction and maintenance, and tutoring and counseling services. This information collection is necessary to comply with Section 318 of Title III, Part A of the HEA as amended.
