Rural Utilities Service

Title: Request for Release of Lien and/or Approval of Sale

OMB Control Number: 0572-0041

Summary of Collection: The Rural Utilities Service (RUS) is a credit agency of the U.S. Department of Agriculture (USDA) that makes mortgage loans and loan guarantees to finance electric, telecommunications, and water and waste facilities in rural areas. RUS manages loan programs in accordance with the Rural Electrification Act (RE Act) of 1936, 7 U.S.C. 901 *et seq.*, as amended (RE Act). A 1949 amendment to the RE Act established the telephone program in RUS with the purpose of making loans to furnish and improve rural telephone service. Section 201 of the RE Act provides that loans shall not be made unless RUS finds and certifies that the security for the loan is reasonably adequate and that the loan will be repaid within the time agreed. In addition to providing loans and loan guarantees, one of RUS main objectives is to safeguard loan security until the loan is repaid.

Need and Use of the Information: A borrower's assets provide the security for a Government loan. The selling of assets reduces the security and increases the risk of loss to the Government. A borrower seeking permission to sell some of its assets uses RUS Form 793. The form contains detailed information regarding the proposed sale. If the information in Form 793 is not collected when capital assets are sold, the capital assets securing the Government's loans could be liquidated and the Government's security either eliminated entirely or diluted to an undesirable level. This increases the risk of loss to the Government in the case of a default.

Broadband Loan and Loan Guarantee

Electrification Act of 1936, as amended (RE Act), provides loans and loan guarantees to fund the cost of construction, improvement, or acquisition of facilities and equipment for the provision of broadband service in eligible rural communities in State and territories of the United States. The regulation prescribes the types of loans available, facilities financed and eligible applicants, as well as minimum credit support requirements considered for a loan. In addition, Title VI of the RE Act requires that Rural Utilities Service (RUS) make or guarantee a loan only if there is reasonable assurance that the loan, together with all outstanding loans and obligations of the borrower, will be repaid in full within the time agreed.

Need and Use of the Information: RUS will collect information to determine whether an applicant's eligibility to borrow from RUS under the terms of the RE Act and that the applicant complies with statutory, regulatory and administrative eligibility requirements for loan assistance. RUS will use the information to determine that the Government's security for loans made are reasonable, adequate and that the loans will be repaid within the time agreed.
