A. Purpose

This information collection facilitates implementation of a HUBZone Program Federal Acquisition Regulation (FAR) revision as a result of revisions to the Small Business Administration regulations. The revision to the FAR requires the HUBZone offeror to provide the Contracting Officer a copy of the notice required by 13 CFR 126.601 if material changes occur before contract award that could affect its HUBZone eligibility. This notification to the contracting officer ensures that the offeror is still eligible for the award of a HUBZone contract.
