NOTIFICATION PROCEDURE:

The Secretary of Homeland Security has exempted this system from the notification, access, and amendment procedures of the Privacy Act because it is a law enforcement system. However, TSA will consider individual requests to determine whether or not information may be released. Individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the TSA FOIA Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "contacts."

When seeking records about yourself from this system of records, your request must conform with the Privacy Act regulations set forth in 6 CFR Part 5. You must first verify your identity, meaning that you must provide your full name, current address and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Chief Privacy Officer and Chief Freedom of Information Act Officer, <http://www.dhs.gov> or 1-866-431-0486. In addition you should provide the following:

- An explanation of why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created;

- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records; and

- If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his/her records.

Without this bulleted information the component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

RECORD ACCESS PROCEDURES:

Same as "Notification procedure" above. Provide your full name and a description of information that you seek, including the time frame during which the record(s) may have been generated. Individuals requesting access must comply with the Department of Homeland Security Privacy Act regulations on verification of identity (6 CFR 5.21(d)).
