SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61514; File No. SR-BX-2010-013]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing of Proposed Rule Change To Modify Fees for Members Using the NASDAQ OMX BX Equities System

February 12, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 29, 2010, NASDAQ OMX BX, Inc. ("BX") filed with the Securities and Exchange Commission ("Commission")

the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

BX is filing a proposed rule change to modify pricing for BX members using the NASDAQ OMX BX Equities System. BX will implement the proposed rule change on February 1, 2010. The text of the proposed rule change is attached as Exhibit 5³ and is available at <http://nasdaqomxbx.cchwallstreet.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is proposing to modify its fees to execute transactions on the NASDAQ OMX BX Equities System. BX is modifying its fee structure for securities that execute at prices below \$1. For these securities, BX currently charges members accessing liquidity a fee equal to 0.1% (10 basis points) of the total transaction cost and provides no credit to members providing liquidity. Under the new fee structure, members accessing liquidity will be charged 0.3% (30 basis points) of the total transaction cost, and members providing liquidity will be provided a credit equal to 0.25% (25 basis points) of the total transaction cost. The change is intended to provide a competitive response to another trading venue that has adopted a similar "maker-taker" pricing structure for securities priced below \$1.⁴ The proposal is consistent with the

⁴ See <http://www.directedge.com/SubscriberInfo/FeeSchedule.aspx>.

provisions of Rule 610 under Regulation NMS⁵ that govern access fees.

2. Statutory Basis

BX believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Section 6(b)(4) of the Act,⁷ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which BX operates or controls. BX is adapting the "maker-taker" pricing model that is prevalent across most U.S. transaction venues for securities priced at \$1 or higher and applying it [sic] securities priced below \$1. This change is a competitive response to another trading venue that has already introduced this pricing model for low-priced securities. The change will result in a fee increase for firms when they access liquidity in these securities and a fee reduction for firms when they provide liquidity in these stocks. The proposed fee change applies uniformly to all BX members.

The impact of the changes upon the net fees paid by a particular market participant will depend upon the types of stocks that it trades, the order types that it uses, and the prices of its quotes and orders (*i.e.*, its propensity to add or remove liquidity). BX notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. BX believes that its fees remain competitive with other venues and are reasonable and equitably allocated to those members on the basis of whether they opt to direct orders to BX.

B. Self-Regulatory Organization's Statement on Burden on Competition

BX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.
