

schedules, which must be filed annually; and (4) a facing page, which must be filed with the annual audited report of financial statements. Under the Rule, a broker or dealer that computes certain of its capital charges in accordance with Appendix E to Exchange Act Rule 15c3-1 (17 CFR 240.15c3-1) must file additional monthly, quarterly, and annual reports with the Commission.

The variation in the size and complexity of brokers and dealers subject to Rule 17a-5 and the differences in the FOCUS Report forms that must be filed under the Rule make it difficult to calculate the cost of compliance. However, we estimate that, on average, each report will require approximately 12 hours. At year-end 2008, the Commission estimates that there were approximately 5,190 brokers or dealers, and that of those firms there were approximately 530 brokers or dealers that clear transactions or carry customer securities. In addition, approximately 220 firms filed annual reports. The Commission therefore estimates that approximately 530 firms filed monthly reports, approximately 4,400 firms filed quarterly reports, and approximately 220 firms filed annual reports. In addition, approximately 5,190 firms filed annual audited reports. As a result, there were approximately 29,530 total annual responses ($(530 \times 12) + (4,400 \times 4) + 220 + 5,190 = 29,370$). This results in an estimated annual burden of 354,360 hours ($29,530$ annual responses $\times 12$ hours = 354,360).

In addition, we estimate that approximately 11 brokers or dealers will elect to use Appendix E to Rule 15c3-1 to compute certain of their capital charges (as of October 2009, seven brokers or dealers have elected to use Appendix E). We estimate that the average amount of time necessary to prepare and file the additional monthly reports that must be filed by these firms is about 4 hours per month, or approximately 48 hours per year; the average amount of time necessary to prepare and file the additional quarterly reports is about 8 hours per quarter, or approximately 32 hours per year; and the average amount of time necessary to prepare and file the additional supplemental reports with the annual audit required is approximately 40 hours per year. Consequently, we estimate that the total additional annual burden for these 11 brokers or dealers is approximately 1,320 hours ($(48 + 32 + 40) \times 11 = 1,320$).

The Commission therefore estimates that the total annual burden under Rule 17a-5 is approximately 353,800 hours

($352,440 + 1,320 = 353,760$, rounded to 353,800).
