**FAA AD Differences**

Note 4: This AD differs from the MCAI and/or service information as follows: No differences.

**Other FAA AD Provisions**

(i) The following provisions also apply to this AD:

(1) Alternative Methods of Compliance (AMOCs): The Manager, New York Aircraft Certification Office (ACO), ANE–170, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. Send information to ATTN: Program Manager, Continuing Operational Safety, FAA, New York ACO, 1600 Stewart Avenue, Suite 410, Westbury, New York 11590; telephone (516) 228–7300; fax (516) 794–5531. Before using any approved AMOC on any airplane to which the AMOC applies, notify your principal maintenance inspector (PMI) or principal avionics inspector (PAI), as appropriate, or lacking a principal inspector, your local Flight Standards District Office. The AMOC approval letter must specifically reference this AD.

(2) Airworthy Product: For any requirement in this AD to obtain corrective actions from a manufacturer or other source, use these actions if they are FAA-approved. Corrective actions are considered FAA-approved if they are approved by the State of Design Authority (or their delegated agent). You are required to assure the product is airworthy before it is returned to service.

(3) Reporting Requirements: For any reporting requirement in this AD, under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 et seq.), the Office of Management and Budget (OMB) has approved the information collection requirements and has assigned OMB Control Number 2120–0056.

### DEPARTMENT OF HOMELAND SECURITY

**Coast Guard**

33 CFR Part 165

[RIN 1625–AA00]

Safety Zone; Fleet Week Maritime Festival, Pier 66, Elliott Bay, Seattle, WA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The U.S. Coast Guard is proposing to establish a permanent safety zone on all waters extending 100 yards from Pier 66, Elliott Bay, WA to ensure adequate safety of the boating public during multiple naval and aerial spectator events associated with the annual Fleet Week Maritime Festival.

**DATES:** Comments and related material must be received by the Coast Guard on or before May 26, 2010. Requests for public meetings must be received by the Coast Guard on or before March 29, 2010.

**ADDRESSES:** You may submit comments identified by docket number USCG–2010–0062 using any one of the following methods:

(2) Fax: 202–493–2251.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary rule, call or e-mail Ensign Ashley M. Wanzer, USCG Sector Seattle Waterways Management Division, Coast Guard; telephone 206–217–6175, e-mail SectorSeattleWWM@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

**SUPPLEMENTARY INFORMATION:**

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to http://www.regulations.gov and will include any personal information you have provided.

**Submitting comments**

If you submit a comment, please include the docket number for this rulemaking (USCG–2010–0062), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via http://www.regulations.gov) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via
www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to http://www.regulations.gov. Click on the “submit a comment” box, which will then become highlighted in blue. In the “Document Type” drop down menu select “Proposed Rule” and insert “USCG–2010–0062” in the “Keyword” box. Click “Search” then click on the balloon shape in the “Actions” column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8 1/2 by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, click on the “read comments” box, which will then become highlighted in blue. In the “Keyword” box insert “USCG–2010–0062” and click “Search.” Click the “Open Docket Folder” in the “Actions” column. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one on or before 30 days after publication in the Federal Register using one of the four methods specified under ADDRESSES. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register.

For information on facilities or services for individuals with disabilities or to request special assistance at the public meeting, contact Ensign Ashley W. Wanzer at the telephone number or e-mail address indicated under the FOR FURTHER INFORMATION CONTACT section of this notice.

Background and Purpose

The U.S. Coast Guard is proposing to establish a permanent safety zone on all waters extending 100 yards from Pier 66, Elliot Bay, WA to ensure adequate safety for the public during multiple naval and aerial spectator events associated with the annual Fleet Week Maritime Festival. This safety zone is necessary as these events have historically resulted in vessel congestion near Pier 66, Elliot Bay, WA which adversely compromises participant and spectator safety. This safety zone is also necessary to ensure the safety of participant vessels through providing unobstructed vessel traffic lanes to ensure unobstructed access to emergency response craft in the event of an emergency. The Captain of the Port, Puget Sound may be assisted by other federal and local agencies in the enforcement of this safety zone.

The Captain of the Port, Puget Sound will give notice of the enforcement of the safety zone by all appropriate means to provide the widest publicity among the affected segments of the public. This will include publication in the Local Notice to Mariners and Marine Information Broadcasts. The public will also be notified of Festival events by local newspapers, radio and television stations. These various methods of notification will facilitate informing mariners so they may adjust their plans accordingly.

Each year the Fleet Week Maritime Festival occurs in the same location and time period, and involves multiple naval and aerial spectator events. The proposed permanent safety zone will be used to control vessel movement within a specified distance surrounding the Festival activities to ensure the safety of persons and property. An on-scene patrol commander may allow persons within the safety zone if conditions permit.

This proposed safety zone will be enforced from 8 a.m. until 6 p.m., prior to and immediately following events associated with the annual Fleet Week Maritime Festival, scheduled for either the last weekend in July or the first weekend in August. The Coast Guard may also establish temporary safety zones during the times these events take place.

Discussion of Proposed Rule

This proposed rule will create a permanent safety zone to control the movement of all vessels and persons on all waters extending 100 yards from Pier 66, Elliot Bay, WA, encompassed by the points, 47°36′.70″ N & 122°21′.07″ W, 47°36′.68″ N & 122°21′.13″ W, 47°36′.53″ N & 122°20′.86″ W, and 47°36′.55″ N & 122°20′.81″ W (NAD 1983). This safety zone is necessary to adequately provide necessary protection to people and national assets participating in the annual Fleet Week Maritime Festival. This safety zone will be delineated by the presence of on-scene patrol craft. This is the most effective mechanism to establish the boundaries of the safety zone while providing unencumbered access for rescue craft in the event of an emergency.

The Coast Guard will provide notice to the public of enforcement of this zone through both the Local Notice to Mariners and marine information broadcast on the day of the event.

Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. This proposed rule is not a significant regulatory action because the
period of enforcement and size of this security zone is minimal.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This proposed rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit a portion of the Puget Sound while this rule is enforced. This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. This temporary rule will be in effect for minimal times when vessel traffic volume is low and are limited in size.

If safe to do so, traffic will be allowed to pass through the zone with the permission of the Captain of the Port or Designated Representative.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Ensign Ashley Wanzer. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under ADDRESSES. This proposed rule involves multiple naval and aerial spectator events associated with the annual Fleet Week Maritime Festival. We seek any comments or information that may lead to the discovery of a
significant environmental impact from this proposed rule.

**List of Subjects in 33 CFR Part 165**

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165, as follows:

**PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS**

1. The authority citation for part 165 continues to read as follows:

2. Add § 165.1330 to read as follows:

**§ 165.1330 Safety Zone; Fleet Week Maritime Festival, Pier 66, Elliott Bay, Seattle, WA.**

(a) Location. The following area is a safety zone: All waters extending 100 yards from Pier 66, Elliott Bay, WA within a box encompassed by the points, 47°36′.70″ N & 122°21′.07″ W, 47°36′.69″ N & 122°21′.13″ W, 47°36′.63″ N & 122°20′.86″ W, and 47°36′.55″ N & 122°20′.81″ W (NAD 1983). This safety zone does not extend on land.

(b) Regulations. In accordance with the general regulations in 33 CFR Part 165, Subpart C, no vessel may enter, transit, moor, or anchor within this safety zone, except for vessels authorized by the Captain of the Port or Designated Representative. The Captain of the Port may be assisted by other federal, state, or local agencies as needed.

(c) Authorization. In order to transit through this safety zone, authorization must be granted by the Captain of the Port Puget Sound or Designated Representative. All vessel operators desiring entry into this safety zone shall gain authorization by contacting either the on-scene U.S. Coast Guard patrol craft on VHF Ch 13 or Ch 16, or Coast Guard Sector Seattle Joint Harbor Operations Center (JHOC) via telephone at (206) 217–6452. Requests shall indicate the reason why movement within the safety zone is necessary, and the vessel’s arrival and/or departure facility name, pier and/or berth. Vessel operators granted permission to enter this safety zone will be escorted by the on-scene patrol until no longer within the safety zone.

(d) Enforcement Period. This rule is effective during the day of the Fleet Week Maritime Festival occurring on either the last weekend in July or the first weekend in August, and will be enforced from 8 a.m. until 8 p.m. unless cancelled sooner by the Captain of the Port.

S.E. Englebert,
Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.

[Docket No. USCG–2010–0063]

RIN 1625–AA00

**Safety Zones; Annual Firework Displays Within the Captain of the Port, Puget Sound Area of Responsibility**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to establish multiple permanent safety zones to ensure public safety during annual firework displays at various locations the Captain of the Port, Puget Sound Area of Responsibility (AOR). When these safety zones are activated, and thus subject to enforcement, this rule would limit the movement of vessels within the established firework display areas. This action is necessary to prevent injury and to protect life and property of the maritime public from the hazards associated with firework displays. Entry into, transit through, mooring, or anchoring within these zones during times of enforcement is prohibited unless authorized by the Captain of the Port, Puget Sound or Designated Representative.

**DATES:** Comments and related material must be received by the Coast Guard on or before May 26, 2010. Requests for public meetings must be received by the Coast Guard on or before March 29, 2010.

**ADDRESSES:** You may submit comments identified by docket number USCG–2010–0063 using any one of the following methods:

4. Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary rule, call or e-mail Ensign Ashley M. Wanzler, USCG Sector Seattle Waterways Management Division, Coast Guard; telephone 206–217–6175, e-mail SectorSeattleWWM@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

**SUPPLEMENTARY INFORMATION:**

**Public Participation and Request for Comments**

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to http://www.regulations.gov and will include any personal information you have provided.

**Submitting Comments**

If you submit a comment, please include the docket number for this rulemaking (USCG–2010–0063), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via http://www.regulations.gov) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via http://www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to http://www.regulations.gov, click on the
