

excavated at 41TT135 (no site name) near Lake Monticello in Titus County, TX, during excavations by Espey Huston & Associates, Inc. In 1984, the human remains were placed in the repository of Stephen F. Austin State University anthropology lab. No known individual was identified. The one associated funerary object is a broken ceramic vessel.

The human remains and associated funerary object recovered from 41TT135 have been determined to be affiliated with the Caddo Nation of Oklahoma. The broken vessel is plain, but other artifacts from the site, which are not funerary objects, indicate a Caddo occupation which may pre-date A.D. 1200.

Officials of Stephen F. Austin State University have determined that, pursuant to 25 U.S.C. 3001 (9–10), the human remains described above represent the physical remains of eight individuals of Native American ancestry. Officials of Stephen F. Austin State University also have determined that, pursuant to 25 U.S.C. 3001 (3)(A), the 123 objects described are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the Stephen F. Austin State University have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and associated funerary objects and the Caddo Nation of Oklahoma.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains and associated funerary objects should contact Dr. Jerry Williams, Stephen F. Austin State University, P.O. Box 13047, SFA Station, Nacogdoches, TX 75962, telephone (936) 468–2306, before March 29, 2010. Repatriation of the human remains and associated funerary objects to the Caddo Nation of Oklahoma may proceed after that date if no additional claimants come forward.

Stephen F. Austin State University is responsible for notifying the Caddo Nation of Oklahoma that this notice has been published.

The purpose of the Board is to advise the Secretary and the National Park Service on matters relating to management of concessions in the National Park System. The meeting will be open to the public, however, facilities and space for accommodating members of the public are limited, and persons will be accommodated on a first-come-first-served basis. Efforts have been made locally to ensure that the interested public is aware of the meeting dates. An unprecedented weather-related 4-day Federal Government closure has resulted in the publication of this notice less than 15 days before the date of the meeting. Rescheduling the meeting would create an unnecessary burden for members of the public who have already arranged their schedules around that date.

#### Assistance to Individuals With Disabilities at the Public Meeting

The meeting site is accessible to individuals with disabilities. If you plan to attend and will require an auxiliary aid or service to participate in the meeting (e.g., interpreting service, assistive listening device, or materials in an alternate format), notify the contact person listed in this notice at least 2 weeks before the scheduled meeting date. Attempts will be made to meet any request(s) we receive after that date, however, we may not be able to make the requested auxiliary aid or service available because of insufficient time to arrange for it.

Anyone may file with the Board a written statement concerning matters to be discussed. The Board may also permit attendees to address the Board, but may restrict the length of the presentations, as necessary to allow the Board to complete its agenda within the allotted time. Such requests should be made to the Director, National Park Service, Attention: Chief, Commercial Services Program, at least 7 days prior to the meeting. Draft minutes of the meeting will be available for public inspection approximately 6 weeks after the meeting, at the Commercial Services Program office located at 1201 Eye Street, NW., 11th Floor, Washington, DC.
