V. Application Review Information

- Selection Criteria:** The selection criteria for this program are from 34 CFR 75.210 and are in the application package for this competition.

- Review and Selection Process:** An additional factor we consider in selecting an application for an award is rural and low-income status. Applications from rural and low-income applicants will be read and scored separately and up to 25 percent of the available funds will be reserved for awards to these LEAs. The following is a suggested definition of a rural and low-income LEA; however, LEAs that want to be considered as rural and low-income applicants may provide other

supporting evidence of their status as rural and low income.

A rural and low-income LEA is an LEA in which (a) all of the schools served by the LEA are designated with a locale code of 6, 7, or 8 as determined by the Department's National Center for Education Statistics (NCES); and (b) 20 percent or more of the children ages 5 through 17 years served by the LEA are from families with incomes below the poverty line. The Department maintains a list of these LEAs at www.ed.gov/programs/reaprlisp/eligibility.html.

Note: Applicants wishing to be considered under this factor must be both rural and low-income

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), three measures have been developed for evaluating the overall effectiveness of the Grants to Reduce Alcohol Abuse program. They are: (1) The percentage of grantees whose target students show a measurable decrease in binge drinking; (2) the percentage of grantees that show

a measurable increase in the percentage of target students who believe that alcohol abuse is harmful to their health; and (3) the percentage of grantees that show a measurable increase in the percentage of target students who disapprove of alcohol abuse.

These three measures constitute the Department's indicators of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these three measures in conceptualizing the design, implementation, and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their annual performance reports about progress toward these goals.
