**DEPARTMENT OF JUSTICE**

**Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act**

Consistent with Section 122 of the Comprehensive Environmental Response, Compensation, and Liability

Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9622(d), and 28 CFR 50.7, notice is hereby given that on February 24, 2010, the United States lodged a Partial Consent Decree with South Tahoe Refuse Company, Inc. ("STR") in *United States of America v. El Dorado County, California, et al*, Civil No. S-01-1520 MCE GGH (E.D. Cal.), with respect to the Meyers Landfill Site, located in Meyers, El Dorado County, California (the "Site").

On August 3, 2001, Plaintiff United States of America ("United States"), on behalf of the United States Department of Agriculture, Forest Service ("Forest Service"), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9607, against Defendants, El Dorado County, California (the "County") and the City of South Lake Tahoe, California ("the City"). The complaint filed by the United States seeks recovery of environmental response costs incurred by the Forest Service related to the release or threatened release and/or disposal of hazardous substances at or from the Meyers Landfill Site, a former municipal waste disposal facility located on National Forest Service System lands administered by the Lake Tahoe Basin Management Unit of the Forest Service, with accrued interest, and a declaration of the County's and the City's liability for future response costs incurred by the United States related to the Site. The County filed a Third Party Complaint for contribution against a number of third party defendants, including STR.

Under the proposed Partial Consent Decree STR will pay \$1.0 million, which will be deposited into a Forest Service Special account to fund future response actions at the Site. The amount of the proposed settlement is based upon financial information provided by STR indicating a limited ability to pay. In exchange for STR's payment, STR will receive from the United States a covenant not to sue or to take administrative action pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. 9606 and 9607, as amended, for the performance of response actions at Operable Unit One ("OU-1") at the Site and the United States' past response costs, interim response costs, and future OU1 response costs at the Site.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Partial Consent Decree. Comments should be addressed to the Acting Assistant Attorney General, Environment and Natural Resources
