I. Background
In the Federal Register of January 27, 2010 (FR 4402), FDA published a notice announcing a public meeting on February 18, 2010, and the opening of a public docket to receive comments on key challenges related to the premarket notification (510(k)) process for the review of medical devices. Specific questions for comment were listed and interested persons were invited to submit comments by March 5, 2010. At this time, the agency is extending the comment period until March 19, 2010, to continue to receive public comments. Comments submitted to the docket will assist in identifying actions that the Center for Devices and Radiological Health can consider taking to strengthen the 510(k) process.

II. Submission of Comments
Interested persons may submit to the Division of Dockets Management (see ADDRESSES) written or electronic comments regarding this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. All comments submitted to the public docket are public information and may be posted to FDA’s Web site at www.fda.gov for public viewing. Comments are to be identified with the docket number found in brackets in the heading of this document. In addition,
