would be used whenever appropriate to
limit effects. They would be closed after
use with adequate stormwater and
erosion control measures. To view a

Nature of Decision To Be Made
Whether or not to implement the
action as proposed or an alternative way
to achieve the desired outcome.

Scoping Process
This notice of intent initiates the
scoping process, which guides the
development of the environmental
impact statement.
It is important that reviewers provide
their comments at such times and in
such manner that they are useful to the
agency’s preparation of the
environmental impact statement.
Therefore, comments should be
provided prior to the close of the
comment period and should clearly
articulate the reviewer’s concerns and
contentions.
