the Office of Management and Budget (OMB) under OMB control number 3095–0016, which expires on September 30, 2011.

This rule is not a significant regulatory action for the purposes of Executive Order 12866 and has been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, I certify that this rule will not have a significant impact on a substantial number of small entities because the regulation affects individual researchers. This regulation does not have any federalism implications.

**List of Subjects in 36 CFR Part 1254**

Archives and records.

For the reasons set forth in the preamble, NARA amends part 1254, in title 36 of the Code of Federal Regulations, as follows:

**PART 1254—USING RECORDS AND DONATED HISTORICAL MATERIALS**

1. The authority citation for part 1254 continues to read as follows:

2. Amend § 1254.6 by revising paragraphs (b) and (c) to read as follows:

   § 1254.6 Do I need a researcher identification card to use archival materials at a NARA facility?

   (b) You also need a researcher identification card if you wish to use only microfilm copies of documents at NARA’s Washington, DC, area facilities and in any NARA facility where the microfilm research room is not separate from the textual research room.

   (c) If you are using only microfilm copies of records in some regional archives where the microfilm research room is separate from the textual room, you do not need an identification card but you must register as described in § 1254.22.

3. Amend § 1254.10 by revising paragraph (b) to read as follows:

   § 1254.10 For how long and where is my researcher identification card valid?

   (b) At NARA facilities in the Washington, DC, area and other NARA facilities that issue and use plastic researcher identification cards as part of their security systems, we issue a plastic card to replace the paper card issued at some NARA facilities at no charge. The plastic card is valid at all NARA facilities.

4. Amend § 1254.22 by revising paragraph [a] to read as follows:

   § 1254.22 Do I need to register when I visit a NARA facility for research?

   (a) Yes, you must register each day you enter a NARA research facility by furnishing the information on the registration sheet or scanning an encoded researcher identification card. We may ask you for additional personal identification.

5. Amend § 1254.44 by revising paragraph (a) to read as follows:

   § 1254.44 How long may I use a microfilm reader?

   (a) Use of the microfilm readers in the National Archives Building is on a first-come-first served basis.

   8. Revise § 1254.84 to read as follows:

   § 1254.84 How may I use a debit card for copiers in the Washington, DC, area?

   Your research identification card can be used as a debit card if you arrange with the Cashier’s Office to set up an account using cash, check, money order, debit card, or credit card. Your researcher identification card number as encoded on the card forms the basis of your account in the debit system. You may also purchase generic debit cards of values up to $20 each from the Cashier’s Office using any of the above payment methods. When the Cashier’s Office is closed or at any other time during the hours research rooms are open as cited in part 1253 of this chapter, you may use cash or credit card to purchase a debit card from the vending machines located in the research rooms. Inserting the debit card into a card reader connected to the copier enables you to make copies for the appropriate fee, which are found in § 1258.12 of this chapter. You can add value to your card using the vending machine in the research room or at the Cashier’s Office. We do not make refunds.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Approval and Promulgation of Implementation Plans; Texas; Revisions to Chapter 116 Which Relate to the Application Review Schedule

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is taking a direct final action to approve revisions to the applicable State Implementation Plan (SIP) for the State of Texas which relate to the Application Schedule regulations submitted to EPA on September 25, 2003 and January 24, 2008. The portions of the SIP revision approved today would revise and recodify existing SIP provisions addressing requirements related to the voiding of an application for a permit or permit amendment and implement the requirements of House Bill (HB) 3732, 80th Legislature (2007), and the Texas Health and Safety Code, section 382.0566, concerning specific deadlines for review and issuance of air permits for Advanced Clean Energy Projects (ACEP). EPA finds that these changes to the Texas SIP comply with the Federal Clean Air Act (the Act or CAA) and EPA regulations, are consistent with EPA policies, and will improve air quality. This action is being taken under section 110 and parts C and D of the Act.

DATES: This direct final rule is effective on May 7, 2010 without further notice, unless EPA receives relevant adverse comment by April 7, 2010. If EPA receives such comment, EPA will publish a timely withdrawal in the Federal Register informing the public that this rule will not take effect.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R06–OAR–2006–0850 by one of the following methods:
