AGENCY: Import Administration, International Trade Administration, Department of Commerce; Office of Insular Affairs, Department of the Interior

ACTION: Notice.

SUMMARY: This action allocates calendar year 2010 duty exemptions for watch assembly producers ("program producers") located in the United States Virgin Islands ("USVI") pursuant to Public Law 97–446, as amended by Public Law 103–465, Public Law 106–36 and Public Law 108–429 ("the Act").

FOR FURTHER INFORMATION CONTACT: Gregory Campbell, Statutory Import Programs; phone number: (202) 482–2239; fax number: (202) 501–7952; and e-mail address: Gregory.Campbell@trade.gov.

SUPPLEMENTARY INFORMATION: Pursuant to the Act, the Departments of the Interior and Commerce ("the Departments") share responsibility for the allocation of duty exemptions among program producers in the United States insular possessions and the Northern Mariana Islands. In accordance with section 303.3(a) of the regulations (15 CFR 303.3(a)), the total quantity of duty-free insular watches and watch movements for calendar year 2010 is 1,866,000 units for the USVI. This amount was established in Changes in Watch, Watch Movement and Jewelry Program for the U.S. Insular Possessions, 65 FR 8048 (February 17, 2000). There are currently no program producers in Guam, American Samoa or the Northern Mariana Islands.

The criteria for the calculation of the calendar year 2010 duty-exemption allocations among program producers within a particular territory are set forth in Section 303.14 of the regulations (15 CFR 303.14). The Departments have verified and, where appropriate, adjusted the data submitted in application form ITA–334P by USVI program producers and have inspected these producers’ operations in accordance with Section 303.5 of the regulations (15 CFR 303.5).

In calendar year 2009, USVI program producers shipped 73,096 watches and watch movements into the customs territory of the United States under the Act. The dollar amount of corporate income taxes paid by USVI program producers during calendar year 2009, and the creditable wages and benefits paid by these producers during calendar year 2009 to residents of the territory was a combined total of $1,501,892.

The calendar year 2010 USVI annual duty exemption allocations, based on the data verified by the Departments, are as follows:

<table>
<thead>
<tr>
<th>Program producer</th>
<th>Annual allocation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Belair Quartz, Inc</td>
<td>500,000</td>
</tr>
</tbody>
</table>

The balance of the units allocated to the USVI is available for new entrants into the program or existing program producers who request a supplement to their allocation.

Broadband Technology Opportunities Program

AGENCY: National Telecommunications and Information Administration, U.S. Department of Commerce.

ACTION: Notice of Funds Availability; Extension of Application Closing Deadline for Comprehensive Community Infrastructure (CCI) Projects.

SUMMARY: NTIA announces that the closing deadline for the submission of applications for Comprehensive Community Infrastructure (CCI) projects under the Broadband Technology Opportunities Program (BTOP) is extended until 5:00 p.m. Eastern Daylight Time (EDT) on March 26, 2010. There are no changes to the application filing window for Public Computer Center (PCC) and Sustainable Broadband Adoption (SBA) projects.

DATES: All applications for funding CCI projects must be submitted by 5 p.m. EDT on March 26, 2010. All applications for funding PCC and SBA projects must be submitted by 5 p.m. EDT on March 15, 2010.

FOR FURTHER INFORMATION CONTACT: For general inquiries regarding BTOP, contact Anthony Wilhelm, Director, BTOP, Office of Telecommunications and Information Applications, National Telecommunications and Information Administration, U.S. Department of Commerce (DOC), 1401 Constitution Avenue, NW., HCHB, Room 4887, Washington, DC, 20230; Help Desk email: BroadbandUSA@usda.gov, Help Desk telephone: 1–877–508–8364.

SUPPLEMENTARY INFORMATION: On January 22, 2010, NTIA published a Notice of Funds Availability (Second NOFA) and Solicitation of Applications in the Federal Register announcing general policy and application procedures for the second round of BTOP funding. 75 FR 3792 (2010). In the Second NOFA, NTIA established an application window for BTOP projects beginning February 16, 2010 at 8 a.m. Eastern Standard Time (EST) through March 15, 2010 at 5 p.m. EDT (application closing deadline).

NTIA announces this extension in the application closing deadline for CCI projects in the interest of ensuring that BTOP funding is made available in the most equitable manner. The complexity of preparing an infrastructure proposal that is truly comprehensive in scope and satisfies the CCI funding priorities outlined in the Second NOFA warrants reconsideration of the application closing deadline for CCI projects to facilitate the necessary coordination among the various stakeholders involved in or benefiting from the project. Additionally, there are a number of applicants whose infrastructure applications have been actively under consideration for funding in Round One. This extension of the application closing deadline will give those CCI applicants that are not selected for a Round One award additional time to strengthen the quality of their Round Two applications and maximize their opportunity to apply for BTOP funding.

All other requirements for CCI projects set forth in the Second NOFA remain unchanged. There are no changes to the requirements or application deadlines for PCC and SBA projects.

All applicants are strongly encouraged to submit their application early to avoid last minute congestion on the electronic intake system. However, early submission will not confer any advantage or priority in review.

Dated: March 2, 2010.

Lawrence E. Strickling,
Assistant Secretary for Communications and Information.
