SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61627; File No. SR-NYSEAMEX-2010-11]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC Amending NYSE Amex Rule 476 To Add a Provision for Violations Relating To Failing to Observe High Standards of Commercial Honor and Just and Equitable Principles of Trade

March 2, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on February

9, 2010, NYSE Amex LLC (the "Exchange" or "NYSE Amex") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Amex Rule 476 to add a provision for violations relating to failing to observe high standards of commercial honor and just and equitable principles of trade. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In this filing, NYSE Amex LLC ("NYSE Amex" or the "Exchange") proposes to amend NYSE Amex Rule 476 to add a provision for violations relating to failing to observe high standards of commercial honor and just and equitable principles of trade. The Commission previously approved an amendment to NYSE Amex Rule 476 to delete subsection (a)(6), which concerned just and equitable principles of trade.⁴ The rationale for that deletion was because NYSE Amex adopted an equities rule—NYSE Amex Equities Rule 2010—that provided for the same content as the prior version of Rule 476(a)(6) and that harmonized the Exchange rule with the New York Stock

¹⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁴ See Securities Exchange [sic] Release No. 59975 (May 27, 2009) [sic], 74 FR 26449 (June 2, 2009) (SR-NYSEAmex-2009-26) [sic].

Exchange LLC (“NYSE”) and Financial Industry Regulatory Authority, Inc. (“FINRA”) standards for just and equitable principles of trade.

However, in deleting Rule 476(a)(6) as part of the NYSE Amex equities harmonization process, the Exchange inadvertently deleted this standard for its options trading platform. Accordingly, the Exchange proposes to amend Rule 476 to add subsection (a)(6) to cover the same content that was previously deleted. To ensure that the standards for just and equitable principles of trade are consistent across the Exchange, NYSE, and FINRA, the Exchange proposes to adopt rule text that mirrors the standard set forth in NYSE Amex Equities Rule 2010, which is virtually identical to NYSE Rule 2010 and FINRA Rule 2010. As proposed, NYSE Amex Rule 476(a)(6) would read as follows: “failing to observe high standards of commercial honor and just and equitable principles of trade.”

In adopting this revised rule text for Rule 476(a)(6), the Exchange would also be able to bring a charge relating to failing to observe high standards of commercial honor and just and equitable principles of trade against not only members and member organizations, but also against principal executives, approved persons, and employees of member organizations. This proposal is consistent with FINRA Rule 2010 because under FINRA Rule 0140, persons associated with a FINRA member have the same duties and obligations as a member under FINRA rules. Accordingly, FINRA has the authority to charge an associated person with a violation of Rule 2010. By adding this standard to Rule 476(a)(6), the Exchange will similarly have the authority to charge an employee of a member organization with a violation relating to failing to observe high standards of commercial honor and just and equitable principles of trade.

To ensure full harmonization, the Exchange also proposes amending Rule 476(a)(5) and deleting the phrase “fraud or fraudulent acts” and replacing it with the rule text from NYSE Amex Equities Rule 2020 to provide that the Exchange can bring charges against an employee of a member organization for effecting any transaction in, or inducing the purchase or sale of, any security by means of any manipulative, deceptive or other fraudulent device or contrivance.

Finally, the Exchange proposes fixing a typographical error and replacing the term “principle” with “principal” in connection with the rule text relating to “principal executives.”

2. Statutory Basis

The statutory basis for the proposed rule change is Section 6(b)(5) of the Act⁵ which requires the rules of an exchange to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The proposed rule change also is designed to support the principles of Section 11A(a)(1)⁶ of the Act in that it seeks to assure fair competition among brokers and dealers and among exchange markets. The Exchange believes this rule proposal ensures that it will be enabled to charge, as necessary, when a member, member organization, principal executive, approved person, or employee of a member organization fails to observe high standards of commercial honor and just and equitable principles of trade, as contemplated by the Act, or effects any transaction in, or induces the purchase or sale of, any security by means of any manipulative, deceptive or other fraudulent device or contrivance.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become

effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)⁹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),¹⁰ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission notes that the proposed rule change is restoring rule text that was inadvertently deleted and is providing the Exchange with the authority to bring charges against an employee of a member organization under paragraphs (a)(5) and (a)(6) of NYSEAmex Rule 476. The proposed rule change does not raise any new substantive issues and will harmonize NYSE, NYSEAmex and Finra’s rules in this regard. For these reasons, the Commission believes that the waiver of the 30-day operative date is consistent with the protection of investors and the public interest.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least 5 business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission notes that the Exchange has satisfied the five-day pre-filing notice requirement.

Preparation of an Alternatives Analysis and Environmental Impact Statement for High Capacity Transit Improvements for the Indianapolis Northeast Corridor in the Indiana Counties of Marion and Hamilton

AGENCY: Federal Transit Administration, U.S. Department of Transportation.

ACTION: Notice of Intent to prepare an Alternatives Analysis/Environmental Impact Statement.

SUMMARY: The Federal Transit Administration (FTA), the Central Indiana Regional Transportation Authority (CIRTA), the Indianapolis Metropolitan Planning Organization

(Indianapolis MPO) and Indianapolis Public Transportation Corporation (IndyGo) intend to prepare an Alternatives Analysis/Environmental Impact Statement (AA/EIS) relating to proposed high capacity transit improvements in the Northeast Corridor located in the Indiana counties of Marion and Hamilton. The study area is an approximately 23-mile long travel corridor extending from downtown Indianapolis to the northern parts of Noblesville and includes the communities of Carmel and Fishers. Options to be considered include No-Build, Transportation System Management (TSM), Bus Rapid Transit (BRT), and Commuter Rail. The AA/EIS will be prepared in accordance with the requirements of the National Environmental Policy Act (NEPA) and its implementing regulations. The AA/EIS process provides opportunities for the public to comment on the scope of the EIS, including the project's purpose and need, the alternatives to be considered, and the impacts to be evaluated. The southern terminal of all alternatives will be Union Station or an adjacent transit center in downtown Indianapolis.

The purpose of this notice is to alert interested parties regarding the intent to prepare the AA/EIS, to provide information on the nature of the proposed project and possible alternatives, to invite public participation in the AA/EIS process, including comments on the scope of the EIS as proposed in this notice, to announce that public scoping meetings will be conducted, and to identify participating agency contacts. This input will be used to assist decisionmakers in determining a locally preferred alternative (LPA) and Draft Environmental Impact Statement (DEIS) for the Northeast Corridor. Upon selection of an LPA, the project sponsors will request permission from FTA to enter into preliminary engineering per requirements of New Starts regulations 49 CFR Part 611. The Final Environmental Impact Statement (FEIS) will be issued after FTA approves entrance into preliminary engineering.
