sale within the United States after importation of certain flash memory chips and products containing the same by reason of infringement of various claims of United States Patent Nos. 6,380,029, 6,080,639, 6,376,877, and 5,715,194. The complaint names over thirty respondents including Lenovo Group Limited of Hong Kong (“LGL”); Lenovo (Beijing) Limited of China (“LBL”); International Information Products (Shenzhen) Co., Ltd. of China (“IIPC”); Lenovo (Huiyang) Electronic Industrial Co., Ltd. of China (“LEIC”); Shanghai Lenovo Electronic Co., Ltd. of China (“SLE”); Sony Corporation of America of New York, New York (“SCA”); and Kingston Technology Far East (Malaysia), Sdn. Bhd. of Malaysia (“Kingston Malaysia”).

On January 28, 2010, Spansion filed an unopposed motion to amend the complaint and notice of investigation to add Lenovo (Singapore) Pte. Ltd. of Singapore and Sony Electronics Inc. of San Diego, California as respondents to the investigation. Spansion also moved to dismiss Respondents LGL, LBL, IIPC, LEIC, SLE, SCA, and Kingston Malaysia from the investigation.

On February 23, 2010, the ALJ issued the subject ID (Order No. 35) granting Spansion’s motion. The ALJ found that, pursuant to Commission Rule 210.14(b)(1) (19 CFR 210.14(b)(1)), good cause exists for the requested amendments to the complaint and notice of investigation. None of the parties petitioned for review of the ID. The Commission has determined not to review the ID. The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission’s Rules of Practice and Procedure (19 CFR 210.42).

Issued: March 8, 2010.
By order of the Commission.
Marilyn R. Abbott,
Secretary to the Commission.

Justice Management Division; Office of Attorney Recruitment and Management; Agency Information Collection Activities: Proposed Renewal of Previously Approved Collection; Comments Requested

ACTION: 60-day notice of information collection under review: Electronic applications for the Attorney General’s Honors Program and the Summer Law Intern Program.

The Department of Justice (DOJ), Justice Management Division, Office of Attorney Recruitment and Management (OARM), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for 60 days until May 11, 2010. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20530.

Additionally, comments may be submitted to OMB via facsimile to 202–395–7285. Comments may also be submitted to the Department Clearance Officer, United States Department of Justice, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) Type of information collection: Revision of a currently approved collection.

(2) The title of the form/collection: Electronic Applications for the Attorney General’s Honors Program and the Summer Law Intern Program.

(3) The agency form number, if any, and the applicable component of the department sponsoring the collection: Form Number: none. Office of Attorney Recruitment and Management, Justice Management Division, U.S. Department of Justice.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individuals or households. Other: None. The application form is submitted voluntarily, once a year by law students and judicial law clerks who will be in this applicant pool only once; the revision to this collection concerns two additional forms required to be submitted only by those applicants who were selected to be interviewed by DOJ components. Both of these forms seek information in order to prepare both the official Travel Authorizations prior to the interviewees’ pre-employment interview travel (as defined by 41 CFR 301–1.3), and the official Travel Vouchers after the travel is completed. The first new form is the Travel Survey—used by the Department in scheduling travel and/or hotel accommodations, which in turn provides the estimated travel costs required by the Travel Authorization form. The second new form is a simple Reimbursement Form—the interviewees are asked to provide their travel costs and/or hotel accommodations (if applicable) in order for the Department to prepare the Travel Vouchers required before these interviewees can be reimbursed by the Department for the authorized costs they incurred during this pre-employment interview travel.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: It is estimated that 5000 respondents will complete the application in approximately 1 hour per application. The revised burden would include 600 respondents who will complete the travel survey in approximately 10 minutes per form, and 600 respondents who will complete the reimbursement form in approximately 10 minutes per form.

(6) An estimate of the total public burden (in hours) associated with the collection: The estimated revised total annual public burden associated with this application is 5200 hours.

Civil Rights Division; Agency Information Collection Activities: Proposed Collection; Comments Requested

The Department of Justice (DOJ), Civil Rights Divisions (CRT) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for “thirty days” until May 11, 2010. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Robert S. Berman, U.S. Department of Justice, Voting Section, Civil Rights Division, 950 Pennsylvania Avenue, N.W., 7243 NWB, Washington, DC 20530.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:
—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
—Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
—Enhance the quality, utility, and clarity of the information to be collected; and
—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection
(1) Type of Information Collection: Extension of a currently approved collection.
(2) Title of the Form/Collection: Procedures for the Administration of Section 5 of the Voting Rights Act of 1965.
(3) Agency form number: None.
(4) Affected public: Who will be asked or required to respond, as well as a brief abstract: Primary: State or Local or Tribal Government. Other: None. Abstract: Jurisdictions specially covered under the Voting Rights Act are required to comply with Section 5 of the Act before they may implement any change in a standard, practice, or procedure affecting voting. One option for such compliance is to submit that change to Attorney General for review and establish that the proposed voting changes are not racially discriminatory. The procedures facilitate the provision of information that will enable the Attorney General to make the required determination.
(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 4,109 respondents will complete each form within approximately 10.02 hours.
(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 41,172 total annual burden hours associated with this collection.

Notice of Lodging of Consent Decree Under the Clean Water Act and the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”)

Notice is hereby given that on March 8, 2010, a proposed consent decree (“proposed Decree”) in United States v. Norfolk Southern Railway Co., Civil Action No. 1:08–cv–01707, was lodged with the United States District Court for the District of South Carolina, Aiken Division.

In this action under Sections 301 and 311 of the Clean Water Act, 33 U.S.C. 1311 and 1321, and Section 301(a) of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9603(a) (“CERCLA”), the United States sought penalties and injunctive relief for releases of chlorine and diesel fuel following the January 6, 2005 derailment of the defendant’s train in Graniteville, South Carolina, which resulted in the death of nine people, evacuation of the surrounding community, and environmental injury including the death of hundreds of fish in nearby waters. The proposed Decree requires the defendant to pay $4 million to the United States as a civil penalty, provide enhanced emergency response training to certain employees, restock impacted waters with fish, and post the number for the National Response Center’s incident report hotline in the office of its General Superintendent of Transportation. In addition, the proposed Decree requires the defendant to conduct a Supplemental Environmental Project (“SEP”) designed to control erosion and improve water quality in impacted waters. The proposed Decree provides the defendant with a covenant not to sue for the allegations contained in the United States’ amended complaint.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044–7611, and should refer to United States v. Norfolk Southern Railway Co., D.J. Ref. 90–5–1–10–09024.

The proposed Decree may be examined at the Office of the United States Attorney for the District of South Carolina, 1441 Main Street, Suite 500, Columbia, S.C. 29201 and at U.S. EPA.
