SUPPLEMENTARY INFORMATION:

I. Additional Information About the Proposed Settlement or Consent Decree

On October 22, 2009, Wildearth Guardians, a non-profit conservation organization, filed an amended complaint in the United States District Court for the District of Colorado (Civil Action No. 09-cv-02148-REB-MJW). In the amended complaint, Wildearth Guardians alleges that EPA has failed to take action to approve or disapprove, in whole or in part, a number of State Implementation Plan ("SIP") submissions from the States of Colorado, Montana, New Mexico and Utah within the time frame required by section 110(k)(2) of the Clean Air Act, 42 U.S.C. 7410(k)(2), in violation of its non-discretionary duty to take such action within that time frame. The amended complaint identifies a total of 55 SIP submittals (10 from Colorado, 12 from Montana, 7 from Utah and 26 from New Mexico) on which EPA is alleged to have failed to take timely action.

The EPA elected to use both a settlement agreement and a consent
