

teleconference line. There will be 50 lines for this call; availability will be on a first-come, first-served basis. The available lines will be open from 8 a.m. until 5:30 p.m. on May 10, although public comments will be received only during the formal public comment periods, which will be indicated on the preliminary agenda. Each organization is allowed one time slot per agenda topic. At least 7 minutes will be allotted to each speaker, and if time permits, may be extended to 10 minutes at the discretion of the BSC chair. Persons wishing to present oral comments are encouraged to pre-register on the NTP meeting Web site and indicate whether they will present comments in-person or via the teleconference line. The access number will be provided prior to the meeting. Registration for oral comments will also be available on May 10, although time allowed for presentation by these registrants may be less than that for pre-registered speakers and will be determined by the number of persons who register at the meeting.

Persons registering to make oral comments are asked to send a copy of their statement to the Designated Federal Officer for the BSC (*see ADDRESSES* above) by May 3, 2010, to enable review by the BSC prior to the meeting. Written statements can supplement and may expand the oral presentation. If registering on-site and reading from written text, please bring 40 copies of the statement for distribution to the BSC and NTP staff and to supplement the record. Registered speakers using PowerPoint slides with their oral comments should send them to the Designated Federal Officer (*see ADDRESSES*) by May 3, 2010.

### Background Information on the NTP Board of Scientific Counselors

The BSC is a technical advisory body comprised of scientists from the public and private sectors that provides primary scientific oversight to the NTP. Specifically, the BSC advises the NTP on matters of scientific program content, both present and future, and conducts periodic review of the program for the purpose of determining and advising on the scientific merit of its activities and their overall scientific quality. Its members are selected from recognized authorities knowledgeable in fields such as toxicology, pharmacology, pathology, biochemistry, epidemiology, risk assessment, carcinogenesis, mutagenesis, molecular biology, behavioral toxicology, neurotoxicology, immunotoxicology, reproductive toxicology or teratology, and biostatistics. Members serve overlapping

terms of up to four years. The BSC usually meets biannually.

Dated: March 5, 2010.

## ADVISORY COUNCIL ON HISTORIC PRESERVATION

### Program Comment for the Department of the Navy for the Disposition of Historic Vessels

**AGENCY:** Advisory Council on Historic Preservation.

**ACTION:** Notice of Issuance of Program Comments for the Department of the Navy for the Disposition of Historic Vessels.

**SUMMARY:** The Advisory Council on Historic Preservation has issued a Program Comment for the Department of the Navy setting forth the way in which it will comply with Section 106 of the National Historic Preservation Act with regard to the determination of National Register of Historic Places eligibility of its vessels and the treatment of adverse effects that may result from their disposition.

**DATES:** The Program Comment was issued, and went into effect, on March 5, 2010.

**ADDRESSES:** Address any questions concerning this Program Comment to Dr. Tom McCulloch, Office of Federal Agency Programs, Advisory Council on Historic Preservation, 1100 Pennsylvania Avenue, NW., Suite 803, Washington, DC 20004. Fax (202) 606-8647. You may address questions through electronic mail to: [tmcculloch@achp.gov](mailto:tmcculloch@achp.gov).

**FOR FURTHER INFORMATION CONTACT:** Dr. Tom McCulloch, (202) 606-8554, [tmcculloch@achp.gov](mailto:tmcculloch@achp.gov).

**SUPPLEMENTARY INFORMATION:** Section 106 of the National Historic Preservation Act requires Federal agencies to consider the effects of their undertakings on historic properties and to provide the Advisory Council on Historic Preservation (ACHP) a reasonable opportunity to comment with regard to such undertakings. The ACHP has issued the regulations that set forth the process through which Federal agencies comply with these duties. Those regulations are codified under 36 CFR part 800 (Section 106 regulations)

Under Section 800.14(e) of those regulations, agencies can request the ACHP to provide a "Program Comment" on a particular category of undertakings in lieu of conducting individual reviews of each individual undertaking under such category, as set forth in 36 CFR 800.4 through 800.7. An agency can meet its Section 106 responsibilities with regard to the effects of particular aspects of those undertakings by taking into account ACHP's Program Comment
