In the Second Report and Order and Further Notice of Proposed Rulemaking, the Commission extended by twelve months the existing 2006 deadline in Section 76.1204(a)(1) prohibiting the deployment of integrated navigation devices by multichannel video programming distributors in order to promote the retail sale of non-integrated navigation devices. This extension was intended to afford cable operators additional time to investigate and develop a downloadable security solution that will allow common reliance by cable operators and consumer electronics manufacturers on an identical security function without the additional costs of physical separation inherent in the point-of-deployment module, or CableCARD, solution. The rules adopted in this proceeding added information collection requirements to this collection and also were intended to implement Section 629 of the Communications Act of 1934, as amended, 47 U.S.C. 549.

FDIC document	Number of respondents	Frequency of response	Hours per response	Hours of burden
Application for Consent to Reduce or Retire Capital	80	1	1	80
Total	80	80

General Description of Collection:
This collection requires insured state nonmember banks that propose to change their capital structure to submit an application containing information about the proposed change in order to

obtain FDIC's consent to reduce or retire capital. The FDIC evaluates the information contained in the letter application in relation to statutory considerations and makes a decision to grant or to withhold consent.

2. *Title:* Appraisal Standards (OMB No. 3064-0103).
Estimated Number of Respondents and Burden Hours:

FDIC document	Number of respondents	Frequency of response	Hours per response	Hours of burden

Federal financial and public policy interests by requiring real estate appraisals used in connection with federally-related transactions to be performed in writing, in accordance with uniform standards, by an appraiser whose competency has been demonstrated and whose professional

conduct will be subject to effective supervision.
3. *Title:* Activities and Investments of Savings Associations (OMB No. 3064-0104).

General Description of Collection:
Section 28 of the FDI Act (12 U.S.C. 1831e) imposes restrictions on the powers of savings associations, which reduce the risk of loss to the deposit insurance funds and eliminate some differences between the powers of state associations and those of Federal associations. Some of the restrictions apply to all insured savings associations

and some to state-chartered associations only. The statute exempts some Federal savings banks and associations from the restrictions, and provides for the FDIC to grant exemptions to other associations under certain circumstances. In addition, Section 18(m) of the FDI Act (12 U.S.C. 1828(m)) requires that notice be given to the FDIC prior to an insured savings association

(State or Federal) acquiring, establishing, or conducting new activities through a subsidiary.

The information is also used to manage and monitor payments

to contractors, document contract amendments, expiration dates, billable individuals, and minority law firms, and to ensure that law firms, experts, and other legal support services providers are in compliance with statutory and regulatory requirements.

B. Application for Withdrawal of Exemption (Deadline passed on 12/31/09)	0	1	8	0
C. Transfer of Assessments Notice	50	1	2	100
Total	50	100

General Description of Collection: The FDIC obtained emergency approval from OMB for three collections of information related to an amendment to the FDIC's assessment regulations that required insured depository institutions to prepay, on December 30, 2009, their estimated, quarterly, risk-based assessments for the fourth quarter of 2009, and for all of 2010, 2011, and 2012. The FDIC will begin to offset prepaid assessments on March 30, 2010, representing payment for the fourth quarter of 2009. Any prepaid assessment not exhausted by December 30, 2014, would be returned to the institution.

The deadline of 12/31/09 for applications for exemptions, or for applications for withdrawal of exemptions has passed, and there are no exceptions. Transfers of assessments, however, are still permitted. When an insured depository institution enters into an agreement to transfer any portion of its prepaid assessment to another insured depository institution, it is required to notify the FDIC's Division of Finance of that transaction by submitting a written agreement signed by the legal representatives of both institutions, including documentation that each representative has the legal authority to bind the institution.
