

reexamination following the effective date of the decrease.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: October 27, 2009.

Reason Waived: This waiver was granted because this cost-saving measure would enable BHA to both manage its Housing Choice Voucher program within allocated budget authority and avoid or lessen the termination of HAP contracts due to insufficient funding.

Contact: Laure Rawson, Acting Director, Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 4210, Washington, DC 20410–5000, telephone (202) 708–0477.

• *Regulation:* 24 CFR 982.505(c)(4).

Project/Activity: Housing Authority of the County of Monterey (HACM), Monterey, CA.

Nature of Requirement: HUD's regulation at 24 CFR 982.505(c)(4) provides that if the payment standard amount is increased during the term of the housing assistance payments (HAP) contract, the increased payment standard amount shall be used to calculate the monthly HAP for the family beginning at the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard amount.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: December 2, 2009.

Reason Waived: This waiver was granted to alleviate rent burden that may have resulted through the implementation of a lower payment standard as a cost-savings measure to avoid or lessen the termination of HAP contracts due to insufficient funding.

Contact: Laure Rawson, Acting Director, Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 4210, Washington, DC 20410–5000, telephone (202) 708–0477.

• *Regulation:* 24 CFR 982.505(d).

Project/Activity: Housing Authority of the Town of Manchester (HATM), Manchester, CT.

Nature of Requirement: HUD's regulation at 24 CFR 982.505(d) provides that a public housing agency may only approve a higher payment standard for a family as a reasonable accommodation if the higher payment standard is within the basic range of 90 to 110 percent of the fair market rent (FMR) for the unit size.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: December 8, 2009.

Waived: The applicant, who is disabled, needed to rent a unit on a first floor with on-site laundry facilities which provide reasonable accommodation. To provide this reasonable accommodation so the client could be assisted in this unit while paying no more than 40 percent of adjusted income toward the family share, the HATM was

allowed to approve an exception payment standard that exceeded the basic range of 90 to 110 percent of the FMR.

Contact: Laure Rawson, Acting Director, Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 4210, Washington, DC 20410–5000, telephone (202) 708–0477.

• *Regulation:* 24 CFR 1003.201(e).

Project/Activity: Campo Band of Mission Indians, Campo, California.

Nature of Requirement: Section 1003.201(e) of HUD's regulation states that public services which are directed toward improving a community's public services and facilities may be funded with Indian Community Development Block Grant (ICDBG) funds. However, the amount of ICDBG funds used for public services may not exceed 15 percent of the grant. Such projects must be submitted with one or more other projects which must comprise at least 85 percent of the total requested ICDBG amount.

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing

Date Granted: December 11, 2009.

Reason Waived: The Campo Band of Mission Indians submitted a request for an ICDBG Imminent Threat Grant to address a water contamination issue. Specifically the Campo Band wanted to use the funds to provide bottled water to its members until the water problem was permanently resolved. Pursuant to the ICDBG regulation, bottled water was defined as public service and as such could not exceed 15 percent of the ICDBG grant. The Tribe subsequently submitted a request for a waiver of 24 CFR 1003.201(e). The regulation was waived because the Tribe verified the existence of the imminent threat and obtained funding to permanently resolve the water contamination problem.

Contact: Deborah Lalancette, Director, Office of Grants Management, ONAP, Office of Public and Indian Housing, Department of Housing and Urban Development, 1670 Broadway, 23rd Floor, Denver, CO 80202, telephone (303) 675–1600.
